

County Board Urges Separation of Dundee and Route 19 Grades

William Busse Presents Resolution Asking State to Include Grade Separation in Widening Plan

STATE HIGHWAY DEPARTMENT IS NOW AT WORK

Securing Necessary Data for Plan; Motor Club Promises Aid

To urge upon the state highway department to construct a separation of the grades of Dundee road and the Northwest highway at their intersection near Deer Grove was the content of a resolution introduced by County Commissioner William Busse of Mount Prospect at a meeting of the County Board Tuesday. The resolution was adopted by the board. The resolution was preceded by a recital of the many fatal accidents as well as other accidents that have occurred at this crossing and the hill adjoining, and mentioned also that this grade separation is all the more needed and appropriate in view of the widening of the Northwest highway.

Mr. Busse was upon his vacation following the accident that resulted in a united effort on the part of the Lion clubs of three towns. He returned home Monday when he learned of the effort being made and the following day presented the resolution referred to above.

Highway Department Already Busy

Te state highway department is considering the feasibility of a grade separation at the dangerous crossing of the Northwest highway and Dundee road. This information was contained in a letter received by T. C. Hart, secretary of the joint committee of Northwest Service clubs, which took up with the highway department the subject of greater protection of motorists at that intersection. The highway department is making surveys and going over the problem in a thorough manner and have assured the joint committee that they will make every endeavor to arrive at some decision relative to this crossing as soon as possible.

The committee of service clubs is requesting the state to erect some sort of warning or go slow signs at that crossing pending the final decision regarding a grade separation. The Chicago Motor club has also assured the people of this community of their support in helping to make this week-end intersection less of a death trap and from all of the activity and agitation it seems probable that some beneficial action will result.

Milwaukee Avenue Open from Dundee Road to Halfday

While several sections of radial highways near Chicago will be closed to tourists this week-end because of widening operations, Milwaukee avenue between the Dundee road and Halfday was opened during the past week, thus providing a 40-foot highway from Dempster street through Northfield to Halfday, according to the weekly road report of the Chicago Motor club. Milwaukee avenue, however, remains closed between Touhy avenue and Dempster street, where widening is still in progress.

The detour around the construction on Milwaukee avenue is north on the Waukegan road to Dempster street and west on Dempster to Milwaukee avenue.

Regular Old Time Dances at Shaynes Saturday Nights

Remember the good old times that we always had in the old days at the country dances? Those times are here again every Saturday night at Shaynes ball room, Arlington Heights and Higgins roads. The music is of the best, the dance floor rivals the ball rooms of Chicago, but it is the residents from the surrounding communities that are making these dances really enjoyable. There are no undesirable elements permitted to enter the grove and those who attend may be assured that there will be nothing to mar a happy evening.

Mt. Prospect Citizens Band Enjoys Outing

The members of the Citizens Band of Mt. Prospect and their families enjoyed a wonderful time Sunday at Forest Lake. Everyone took lunch and the band furnished such treats as pop, ice cream, watermelon and a weiner, marshmallow roast. Ball games for both men and ladies were enjoyed as were other features of the day.

PALATINE AND GAHLBECK OUT AT ARLINGTON

Arlington's Fast Team Too Much for Neighbors To Enter Series

The Arlington Boosters encountered little opposition Sunday and took their ancient rivals, Palatine, into camp by a score of 16 to 3. Diederich, pitching for the locals held Palatine well in check giving up only six hits. The boosters collected fourteen hits off Gahlbeck, and outside the first inning gave him plenty to worry about.

On next Sunday the Jefferson Parkers will furnish the opposition. Finerman will be back on the slab for the locals after his vacation and the public will be assured of a good game as the visitors will present a strong lineup with a record of 11 wins against four losses for the season.

On Sunday, August 10 the Mid West League expects to begin the Sweitzer Cup series, in which the Boosters will enter. This series is held each year and is sponsored by County Clerk Robert M. Sweitzer who donates to the league a beautiful cup together with individual trophies for the players of the winning team.

Inasmuch as the Boosters have beaten some of the strongest teams in the league it is felt by the management that with a little more support by the fans that the team may be able to go somewhere in the series.

In September the "Little World Series" with the Park Ridge Pickwick will take place. This, together with the Sweitzer cup series insure local fans of some very good baseball so let's all get behind the team and help them win both series.

All games called at 3:00 p. m., East Side Ball Park. Admission, Gents 50c and Ladies 25c.

Elk Grove Farmers Are Progressive

Elk Grove, like Schaumburg, has always had a splendid reputation for good citizens and honest, progressive farmers with large families who are willing to work, earn their own living and pay their bills promptly. That is the reason so many truck gardeners are buying small farms in the building homes with all modern conveniences in Elk Grove.

Mr. Wm. Lang and son, Walter, of Park Ridge, bought five acres from Wm. Krueger, the present owner of the old Froelich home-stand just north of St. Paul's Evangelical Lutheran church, Elk Grove, where they will operate first class truck gardening for exercise while the son continues his job as a high grade mechanic.

They are building a modern 8 room bungalow as a home for the two families. They chose this high grade land among the congenial neighbors with pleasant surroundings. The old residents of this locality welcome such good citizens to their midst.

BIG BOOM IN MOTOR TRAVEL THIS SEASON

"Everybody's" Vacationing; Longer Trips; Farther Away

Chicago, Ill.—Encouraging statistics just announced by the Chicago Motor club indicate that motor travel has suffered no depression this year. The number of requests for touring information during the first six months of this year increased 53.3 per cent over the same period last year.

"In the first six months of 1930 our sixty-four touring bureaus in Illinois and Indiana answered 198,357 requests for routings, information on hotels and camping facilities and other touring data, whereas during the first half of 1929 the requests totaled 129,368," the motor club pointed out in a statement. "The net increase this year was 68,989, or 53.3 per cent."

"The increase is actually far greater than appears at first glance. Car owners this year are driving more miles per day and taking longer vacations than ever before. On long trips the daily average mileage of most tourists is in excess of 300. Only three years ago a daily mileage of 200 was considered satisfactory."

"Whereas in former years a large number of motorists asked for routings covering not more than two weeks' driving, today they are asking for trips that require three or more weeks. Formerly, the Wisconsin lakes or Niagara Falls appeared as reasonable objectives to most vacationists. Today they drive to the national parks of the west; or the maritime provinces of Canada, or make an extended tour of the Atlantic seaboard."

Women Dictate American Styles; Long Skirts Flop

American women, having enjoyed their freedom several years from long skirts, are refusing to follow the designs of Paris and are dictating their own fashions, is the story being told widely this week in the daily newspapers. Manufacturers and retailers who fell for recent Paris fashions are badly hit, and have lost millions, it is admitted.

A style exhibit opened Monday at the Hotel Morrison in Chicago, and will be open the next four weeks, in which American models are prominent—American designed, American made, and of American materials. There is a variety of cheerful colors.

The public will be admitted to the show in the Terrace Garden of the hotel, August 4, 6, 7, 13 and 14; at which models will appear in fashion show.

ASK MORE DATA ON WELL PROPOSITION

In a special meeting of the Arlington Heights Water and Sewerage Commission, called to consider the water situation, the board voted to instruct the Village Engineer, W. H. Allen, and Village Attorney, Hugo J. Thal, to get necessary data and take preliminary steps with the idea of sinking a deep well.

MRS. LOUISE BLUME HAS FALLEN ASLEEP

The funeral of Mrs. Louise Blume (nee Tasche), mother of Edna (Mrs. Herman Blume), 230 S. Dunston street, Arlington Heights, was held at 2 o'clock Wednesday, July 30, from her daughter's residence, to Frieden's church at Bensenville. Burial was at Wolf's cemetery.

FARMOLOGY

EDITED BY O. G. BARRETT—COOK CO. FARM ADVISER

D. A. Niefeldt, Pres. Wm. Rohling, Vice-Pres.

Alfred Busse, Secy-Treas.

Truck Gardening—Henry Homier, August Decker

Gen. Farming—Julius F. Frecht, Tom Weiler, Jr.

Dairying—Fred W. Pfingsten, Henry Henke

New Farm Bureau members: H. C. Rohde of Palatine Twp., and F. C. Hiedt of Lyons Township.

It is estimated that a cow moves her jaws forty-one thousand times a day.

And doesn't say a word to hurt anyone either! Now the problem is, if the ordinary, average cow on the ordinary, average pasture which they are given could talk and used as many words as some people do criticizing what the other fellows don't do but over which they have no control, how many times then would the ordinary, average cow wiggle her jaw?

Say, boy, but we had some experience 't' other day! Did you ever ride in an airplane? "Well," as the fellow after having an attack of delirium tremens said, "If you ain't you ain't seen nothing yet."

We sneaked away from the office early Saturday afternoon. We thought the fellows in the north end who came in and found us gone would think we were in the south end of the county working and so we sneaked away about three o'clock.

We drove over to the airport and don't register colors any more than a jiplane with Judge Byrd, our new County Commissioner next fall—we hope—in the rear seat about the lever. We headed south around the lake and then northeast towards Detroit.

If you have a pencil handy, hold it up and look at it as you would ordinarily. If it is blue, it looks blue; if it is yellow it looks yellow and if it is grey it looks grey; and if you had a million pencils and you were looking at their broad-side you would see distinctly their color. But now take the pencil and look straight at the end of it. You don't see the blue or the grey or the yellow and if you had a million of them pointed at you and you looked at the end of each one you will still see them but they will look different to you.

You ride along the road and look from side to side. You look at the end of the alfalfa and the corn crop perpendicular to its side. You see on either side of the road a distance of half a mile or such a matter; but when you are in a plane a half a mile up you are looking at the end of these things and they look different. As you look across a corn field or an oat stubble all you see is the green of the corn or the yellow of the stubble; but when you look down on it you see between and see the grey of the earth mingled with the green of the alfalfa and you have it appearing like changeable silk with some of the finest patterns of tan and green imaginable.

Ow, yes, you strike an airport once in a while and your whole world drops eight or ten feet; but it doesn't seem like only just a little unevenness and the plane is so big and so sturdy and the world down below looks so much different. You look to the right twenty or thirty miles and there is South Bend. You look to the left twenty or thirty miles and there is a lake. Oh, yes, there is another town almost underneath you, hid in a clump of trees. Every town has lots of shade trees. It is different than a field but it is

"Keeping Cool" To be Topic at Mothers' Club

The Methodist Mothers' club of Arlington Heights will meet Wednesday, Aug. 6, at 8 o'clock at the home of Mrs. E. T. Wolf, Edward street near Evergreen, Mount Prospect.

The program, in charge of Mrs. Herbert Reinhardt, will be on "Keeping Cool in Hot Weather." The roll call responses will be on the topic: "My vacation." Mrs. O. G. Barrett will preside.

Members desiring transportation will please call Mrs. Wolf, 1059-W, and cars will be at the church to take them.

Concordia League Holds Big Picnic

A big outing, sponsored by the branch of the Concordia Mutual Benefit league connected with St. Peter's Evangelical Lutheran church of Arlington Heights, was held Sunday at the Old Folk's home farm at Oakton and N. Ridge avenues. There have been better horses at Arlington this year than ever before; the crowds have been larger and the mutual handle proportionately larger. The 1929 profit of \$800,000 seems destined to be far surpassed and it will go right back into the plant and into increased purses for next year with the aim of making Arlington beyond any question the greatest track in America.

The heavy rains last week and the very hot weather cut down the crowd at the Arlington handicap last Saturday somewhat but a big field of horses faced the barrier and the rich stake was won by Pigeon Hole with Curate second and The Nut third. Curate looked like the winner on the stretch turn but Pigeon Hole displayed a great burst of speed and came from behind with a terrific rush to haul down the big end of the purse.

The racing at Arlington has kept the race players guessing this year as everyone is trying for the rich purses and favorites and long shots are going over every day in a most baffling manner to the players. With half a dozen or so good things in every race and with everyone trying to find the frequently upset and any odd thing is liable to happen.

With the close of Arlington on Saturday the Chicago racing scene shifts to Hawthorne for a two weeks' mid-summer meeting. The Hawthorne plant has been enlarged and brightened up and everything is all in readiness at this historic track in Chicago's doorway for a big and successful meeting. Many of the eastern stables will go over after the Arlington meeting and most of the other will move over to Hawthorne where they will meet a lot of the crack stables from Kentucky which passed up the Arlington meeting.

The present racing season is the greatest in the history of the sport in these parts and the coming Hawthorne and Lincoln Fields meetings will no doubt keep right on setting new records.

Hilarious Party Drive Into Store

It was only a joke to a party of intoxicated persons, a man and two women in a car with Indiana license plates, to run into the front of the Reese Hardware store on the Northwest highway in Arlington Heights, break two windows and the frame and damage the store front below. They could not contain their merriment as they drove away, while their license number was taken by an onlooker. This happened about six o'clock Saturday morning.

The present racing season is the greatest in the history of the sport in these parts and the coming Hawthorne and Lincoln Fields meetings will no doubt keep right on setting new records.

PROMINENT MT. PROSPECT FARMER DIES

Henry C. Reese Buried Wednesday; Lived Here All of His Life

Mr. Henry C. Reese, who resided on Rand road, near Mt. Prospect died Sunday afternoon following a number of years of feeble health, aged 67 years, 27 days. The funeral was held Wednesday afternoon at Mt. Prospect St. Paul's Lutheran church and was largely attended. Mr. Reese was a charter member of that church and was one of the original commissioners of Peabodyville drainage district. The family is very well known throughout this part of the county.

Henry C. Reese was born in Wheeling township, July 1, 1863. He was baptised and confirmed in the Lutheran church at Des Plaines and on May 31, 1893 was united in marriage to Miss Marie Pohlmann. Three children blessed this union, one of whom, John, died before his parents. Mrs. Reese died Oct. 5, 1913. The family resided on the present Reese farm a great many years.

There remain to mourn their loss, two children, Arthur and Mrs. Fred Pipenbrink, with whom Mr. Reese made his home upon the old homestead; four grandchildren, a brother, Conrad, of Palatine; three sisters, Mrs. Wm. Behrens, of Schaumburg; Mrs. Conrad Fedrowitz, Mrs. Emma Linnweh, of Des Plaines.

Two remain to mourn their loss, two children, Arthur and Mrs. Fred Pipenbrink, with whom Mr. Reese made his home upon the old homestead; four grandchildren, a brother, Conrad, of Palatine; three sisters, Mrs. Wm. Behrens, of Schaumburg; Mrs. Conrad Fedrowitz, Mrs. Emma Linnweh, of Des Plaines.

LAST WEEK OF THE RACES AT ARLINGTON

Greatest Race Meet Ever Held in America Ends Next Saturday

The thirty day race meeting at Arlington Park is fast nearing its close and with Saturday's races featured by the Post and Paddock stake, the meeting will come to an end.

The 1930 meeting has been one of the most successful race meets ever conducted in America and has set an all time record for this Chicago track. There have been better horses at Arlington this year than ever before; the crowds have been larger and the mutual handle proportionately larger. The 1929 profit of \$800,000 seems destined to be far surpassed and it will go right back into the plant and into increased purses for next year with the aim of making Arlington beyond any question the greatest track in America.

Evangelical Federation of Women to Meet

The Tenth Regular Meeting of the Arlington Heights Federation of Evangelical Women's organizations will be held at St. John's church in Arlington Heights next Tuesday, Aug. 5. The program will be as follows:

Morning Session, 10 a. m.
Mrs. Geo. Goebel, Des Plaines, Ill., presiding.

Prelude — Miss Esther Ellerbrake.
Song service.
Devotion—Rev. J. H. Ellerbrake.
Greetings—Rev. J. H. Ellerbrake, Mrs. Wm. Helfers, president of Ladies' Aid.

Response—Mrs. Geo. Goebel, vice president, Arlington Heights Federation.
Address, Foreign Missions—Rev. J. C. Koenig, Missionary in India.
Vocal Selection—Miss Esther Ellerbrake.

Address—Rev. Krause, Supt. of the Bensenville Home.
Lynx.
Business Session.
Closing Prayer.

Luncheon and social period.
Afternoon Session, 2 p. m.
Prelude — Miss Esther Ellerbrake.

Song service.
Address—Rev. Geo. P. Ellerbrake, pastor of Missions at Long Beach, California.
Offertory.

Address—Rev. Paul Wobus, Missionary of the Ozark Mountains, Mo.
Vocal Selection—Miss Esther Ellerbrake.

Address—Rev. F. A. Goetsch, St. Louis, Mo., Associate Executive Secretary of Foreign Missions Board.
Remarks and announcements.
Prayer and Benediction.

The Arlington Heights Federation is made up of Ladies' Aid groups of 16 or 18 Evangelical churches, including Arlington Heights, Bensenville, Palatine, Bartlett, Lake Zurich, Elgin, Niles Center, Deerfield, and Highland Park.

ARLINGTON HTS. VILLAGE BOARD PASSES BUDGET

The Annual budget for the Village of Arlington Heights, for the fiscal year beginning May 1, 1930, and ending April 30, 1931, was passed Wednesday night, July 23, by the Village board at a special meeting at the Village hall.

Six thousand dollars were allowed for street maintenance and repairs, and \$1,500 for keeping up the sidewalks. \$1,000 was appropriated for any drainage needed.

The Fire department is allowed \$2,000; the water system, \$10,000; street lighting, \$10,000. \$1,000 is for fuel, \$10,000 for officers' fees and salaries, \$1,000 for a contingent fund. \$500 was named for public grounds, \$5,750 on public buildings, \$2,000 for stationery, supplies and printing.

For public benefits assessed against the village in various special assessment proceedings, \$4,400 was found necessary and was appropriated. On principal and interest on water works bonds, \$2,550 was allowed; on fire station bonds, \$2,650; for the public library, \$1,500; and for the municipal band, \$1,300. The total of the budget was \$65,050.00.

Section two of the ordinance provides that any unused balances on these separate funds may be made available to meet any deficiencies on the other funds named in the ordinance.

Arlington Garden Club to Meet Aug. 13; Committees Appointed

The Arlington Heights Garden Club met at the home of Mrs. Matthew Schaffner, Wednesday evening, July 23. The attendance was good considering the fact that the majority of folks are on their vacations.

Committee appointments were as follows:
Advisory committee: Mrs. Chas. Poulsen, Mr. Kenneth Bangs.
Program committee: Mr. Thomas Wilson, Mrs. Charles Fitzpatrick, Mrs. Bruce Jarvis.

Membership committee: Mr. Paul Patrick, Mrs. Will Hausam, Mrs. H. Ashton.
Publicity: Mrs. Thurman Dodge.
Mrs. Schaffner and Mrs. Hausam gave interesting and helpful notes on annual gardens. Mrs. Hausam also gave hints from "Better Homes and Gardens" on the art of combining flowers properly.

The next meeting will be August 13, at the home of Mrs. V. Peabody, 717 S. Mitchell avenue. All members are urged to attend as the meeting promises to be very interesting. Further announcement will be made later.

JACOB SCHEIRICH, BEVERAGE WORKER, IS PASSED AWAY

Jacob Scheirich, 510 E. Fremont street, Arlington Heights, a worker at the Muller brothers' beverage factory in the same village, passed away Tuesday, July 22. The funeral was held Friday morning at St. James' Catholic church in Arlington Heights; burial at St. Joseph's cemetery at River Grove.

Mr. Scheirich was born in Deutsch-Denisek, German Roumania, March 1, 1882. He leaves a widow, Mrs. Lena Scheirich, and two daughters, Eva and Helen.

LOCAL THEATRE TO CLOSE FOR ALTERATIONS

New Equipment for Sound Pictures and Other Improvements

The Arlington, our local playhouse, passes from the management of Otto Heimann who has been operating the theatre for a number of years as announced in last week's issue. Negotiations have been completed between North-West Theatrical Enterprises, a theatrical concern, and Mr. Heimann whereby the owners take possession on August 1.

Arlington Heights is assured the best in theatrical entertainment from now on in as much as is the plan of the new concern to give it's patrons the finest in pictures and other things which it is possible to obtain. Numerous changes will be put into effect immediately, chief amongst them being the installation of a new Sound system replacing the present Talkie equipment which is now in use in the theatre. It is the last word in perfection in the Talkie field and will eliminate the "out of synchronization" trouble so prevalent in theatres which employ the old method of disc recording. The entire equipment will be individually suited for this particular theatre only and the public will be very agreeably surprised when they find the utmost in Talkie perfection right here in Arlington Heights.

The organ in the Arlington, also will be repaired and augmented by additional instrumentation, it being the plan of the new owners to utilize this instrument in the nature of special organ presentations and novelty work. An organ club will be organized and community singing, so popular in the theatres of the larger cities, will be featured.

A new screen will be installed specially built to be used in conjunction with the new Sound system and, unlike the screen now in use at the Arlington, it will be of larger variety. Pictures will be larger and nearer life size. The entire theatre will be renovated and changes made where it is found to be necessary.

It will be necessary to close the theatre on Aug. 1, for a brief time in order to provide the opportunity to make the alterations and changes. The opening date will be announced later.

Press dispatches recently released from New York tell of a decree in favor of the General Talking Pictures Corporation, the equipment of which firm is to be installed in Arlington Theatre. The decision is to the effect that the patent held by the above corporation, covering the reproduction of sound-on-film pictures is valid and infringed by other companies.

Lions Clubs and Families on Outings

About 90 persons, Arlington Heights members of the Lions club, families, and friends, enjoyed an outing Thursday with a similar party of about 70, representing the kings of the jungle of Barrington, at the Lake Long hotel, Lake Delavan, Wisconsin.

The Arlington Lions are roaring about the fact that they beat their Barrington brothers 9 to 8 in a game of baseball, which wound up the day's events. The opening part of the day they played golf and tennis, went swimming, or played cards in the shade.

Some of the members went Tuesday evening this week to a picnic at Deer Grove, at the invitation of the Des Plaines club.

ARLINGTON HTS.

Rev. Wm. Brueggemann of Fremont, Neb., son-in-law of Rev. and Mrs. C. M. Noack, has been visiting the past week at the Noack home, and also at the home of his mother in Palatine.

Nineteen little guests enjoyed a delightful afternoon Sunday, July 27, at the H. C. Bolte home. The occasion being the eleventh birthday of Marjorie. Interesting games with prizes kept the company interested until time for refreshments which were delicious.

A company of friends gathered in the home of Mr. and Mrs. Rudolph Rizzi, Thursday evening, July 24, to give Mr. Rizzi a surprise on his birthday and it took in a most emphatic shake up for the "victim." Refreshments were of the best quality and games furnished lively entertainment. In the course of the evening an interesting package was handed to Mr. Rizzi, who found when it was opened it was addressed "To the Boy and Girls Whose Birthdays they were celebrating." This was set forth in some delightful and humorous lines written by Mrs. B. U. Hills which told how the "surprise" Mrs. Raoul Peeter, who planned the party on Mr. Rizzi was included in the surprise, as the date was her birthday, so she also received a suitable gift of remembrance. Can you imagine the surprise and all the joy afforded these genial friends in this double surprise party. The guests were the Raoul Peeters, the Sachs, and Sujacks, and the B. U. Hills. The ladies prize, 1st, Mrs. J. Sujack; 2nd, Mrs. Sachs; Gentlemen, 1st, Mr. B. U. Hills; second, J. Sujack.

Mr. and Mrs. Joseph Bouffard are expected home from their vacation trip Wednesday after an extended vacation at one of the Northern Lake resorts.

Sheila Pate, Jr., came home from the Boy Scout camp first of the week.

Kenneth Bangs, Chas. Paulson, Jr., Harold Nicolaus of Wilton, Ia., and Rev. H. A. Kossack are leaving Thursday for a two week's camping trip in northern Wisconsin.

A shower was given in honor of Miss Laura Moehling at the home of her cousin, Mrs. Selma Moellenkamp. Miss Laura is soon to become a bride.

Glorious rain Sunday morning.

Plenty warm for corn and potatoes.

Born, a son to Mr. and Mrs. Harvey Blohm, July 2, at the B. Van Gorder home.

Some of the boy laborers at Arlington Park, were laid off Saturday.

Blue Lark Spur, can take a "Lark" since he well won his "spurs."

Mr. Fredrick Fat died in his home on North Dunton, Saturday, July 26, after a long illness.

Mrs. Mary Peeter of Chicago has been a guest of her son, Mr. Raoul Peeter and family the past week.

Mr. and Mrs. J. P. Uselding went to Cicero last week Wednesday to attend the funeral of her cousin, Mrs. Katherine Meyer.

Miss Dorothy Noyes has been continuing her course in the university and during August she plans to stay at her home in Arlington Heights and become a commuter to and from the city.

Mrs. Rudolph Rizzi entertained a group of eleven girls in her home on South Dunton avenue to make a merry party for her daughter, Dolores on her seventh birthday, July 23. The decorations were in yellow and white. Games were entered into merrily. The prizes were won by Mary Coughlin, Ruth Hoelt, Dorothy Hoelt, Reka Huck. Choice refreshments "to the queen's taste" were prettily served. The following were guests: Mary and Arline Coughlin, Dorothy and Ruth Hoelt, Matthi Nickols, Geraldine Schult, Threse Felker, Eva and Rose Dreer, Reka Huck and Marjorie Adam.

Mr. and Mrs. F. J. Sachs went to Chicago Sunday to see the children's swimming contest at Lincoln Park. They hoped to meet a cool wave but were warmly disappointed.

The harvest shortage will do away with over-production. The harvest fly and the hot weather add to the discomfort of the harvester. The Pierson farms, is taking long rides around one big field. Gets plenty of violet rays while at it.

This week closes the races. Many have lost, many have won. Those who took roomers or boarders will miss the income after the week closes. Many who delight in the races will miss the diversion. Better have a "fair" in that beautiful park this fall, to make use of all its wonderful location and possibilities.

Miss Adele Adam went to Kenosha last week to engage an apartment for her occupancy while she is teaching the coming year in the Kenosha school.

Mr. and Mrs. E. F. Laurin of South Evergreen avenue and two children send cards to their friends here telling of the pleasure they are getting from their vacation trip, seeing Niagara falls and many other places of scenic beauty on their route.

Mr. and Mrs. Clyde H. Meredith of 114 South Pine avenue left here Sunday for a vacation trip to Michigan.

Miss Gertrude Adam and Miss Irma Mueller wrote home they had arrived safely on the other side of the Atlantic. Their trip was a pleasant one. Their letters were here telling of the pleasure they were well and happy to enter into their explorations of the continent.

Mr. and Mrs. Charles Scherf are gradually beginning to move their belongings to their pleasantly located new home on N. Belmont avenue.

Special this week, one-half off on beautiful Gulbransen Player Piano, Maria Beulah Schaefer, 1436 Miner St., Des Plaines.

Born, a daughter to Mr. and Mrs. Edward Radloff of North Pine avenue, Monday, July 28, at the Wheeling hospital.

Mrs. Raoul Peeter was hostess to a neighborhood group of nine ladies and their children in her father's summer home at McCollom's Lake, McHenry county, Friday, July 25. Mrs. Peeter proved a most genial and ideal hostess doing all possible to make the outing pleasant for her guests. One of the pleasing features, beside the choice picnic dinner, was bathing in the beautiful lake. Some of the ladies who had never experienced "deep water bathing" were naturally timid about going. After they were in so delightful were their sensations. They insisted on their hostess taking their pictures while they were neck deep in water, so their doubting friends at home would be convinced they were really in. It proved a pleasant outing for all, and they went home sunburned but happy. Those in the group were the Madames Otto Heiman, Lyman E. Lloyd, C. F. Griffith, J. Rodewald, Wm. Beckman, J. C. Thompson, Mary Peeters, Raoul Peeter, and Mrs. Mary Peters.

Dr. H. A. Kossack plans to begin his vacation this week, somewhat on the installment plan, venturing first on a two or three days fishing trip, where the fish have been on a reducing diet and mosquitos are fed up on early season tourists, so the fish will bite, and mosquitos refrain.

Mr. Francis K. Wilton, 211 N. State Road is enjoying a three weeks' vacation. During the time he plans to go with Mrs. Wilton and the children on an outing trip to Kilbourne City and the Dells of Wisconsin.

Herman Reimer, who has been on a visit to his sister, Mrs. Arthur McElhose, has returned home accompanied by Wallace Volz, to find something worth while to do up in his Wisconsin home community.

Mrs. Martin Holze of Hampshire was the guest of the Misses Rose and Betty Tonne, Thursday.

Miss Mildred Becker, 213 S. Dunton avenue, entertained her little girl friend, Miss Grace Gathman, of Itasca, last week. Mildred accompanied by Grace, to spend this week at Grace's home, to enjoy a thrilling dinner where there are always a lot of "goodies" to eat for the little folks.

George L. Parker is building a six-room bungalow at about 445 South Evergreen avenue.

The Creamery Package Co. are out for a two weeks vacation. A fine time to take a rest.

Mrs. Jack Sujack in the Vail-Davis apartments; entertained her sister from Chicago, last week.

Mrs. Max Adam and Miss Adele are planning a motor trip to her mother's, Mrs. Weinhardt's summer home at Leland, Michigan, this week.

\$97.00 buys rich mahogany Schult piano, wonderful bargain, fine for beginners. Maria Beulah Schaefer, 1436 Miner street, Des Plaines.

Mr. and Mrs. Charles Rand from Los Angeles announce the addition to their family tree of a son, Robert Charles, who arrived in their home July 18. Mrs. Rand we lovingly remember as our own little Helen Collins.

Mrs. Ora Allison Oefelein of Los Angeles arrived in Chicago last week and came out to Mrs. Marshall Jewel to call on friends and will make a longer stay later on.

The Friendly Class held their social meeting Wednesday in their rooms in the Parish house.

Ruth Chidley is visiting her relatives at DesPlaines this week.

Mr. and Mrs. Cuney and their daughter, Mrs. Isabel Cuney Oefelein left home last Wednesday for a fortnight outing at Eagle Lake, Wisconsin.

Ralph Oefelein is with the Tibbits-Cameron business branch at Milwaukee during the vacation in business rush in the company here.

Mr. and Mrs. Charles Boutel of Chicago were guests of his parents, Mr. and Mrs. Henry Boutel last Sunday.

Mrs. A. B. Conger came home last week from a three weeks stay with her relatives in Iowa.

Rev. H. A. Kossack christened the infant daughter of Mr. and Mrs. Charles Boutel, Joan Carolyn Sunday afternoon in home of her grand parents, Mr. and Mrs. Henry Boutel.

The Misses A. G. and E. J. Crisler spent Tuesday in Lincoln Park and other places familiar to their old home in that vicinity for over thirty years. They noted many marvelous changes in huge buildings, and especially the encroachments autos have made everywhere, taking up spaces once beautiful lawns for long rows of garages and by the interference with those afoot in the park.

Mrs. Marie Dix is having her vacation this week in the home of her sister, Mrs. O. G. Bolte.

The races are to close August 2nd, Saturday this week.

Give A Shower for Mrs. Fred Johnson

Last Friday evening a group of eight young ladies from Central gathered at the home of Miss Phoebe Meyer, on invitation, where they anxiously awaited the arrival of the guest of honor, Mrs. Isabel Mayer Johnson, a recent bride, who came in with her sister, Miss Agnes Mayer. The party, a surprise for Mrs. Johnson, centered about a miscellaneous shower. The decorations, bright pink and green in the dining room, an ample umbrella to keep off even a bridal shower, was full spread and from it extended streamers of pink and green to a side table where the gifts that dripped from its points, were generously spread. Refreshments cooling and acceptable on a hot night were prettily served.

The game played was Progressive Fifty. Those who won the prizes gave them to the bride, a pretty and graceful gesture and charmingly carried out. Miss Johnson had been in the telephone office a year and a half and is now Mrs. Fred Johnson, her home will be at Des Plaines. Certainly our message dispensers are kindly one to another.

Northwest Scouts Awarded Honors in Two Weeks at Camp

Arlington Heights boys, Boy Scouts and Cubs now at Camp Bryan, near Wakelee, Mich., are Ed. Chidley, Assistant Scoutmaster; Chas. Michael, Alfred Wolf, Wm. Miles, Myron Masny, Carl Klehm, Howard Sayers, John Taylor, Clarence McElhose, and Fred Durni, (all from Troop 7); from Troop Five: Robert Proctor, George Dresser, Robert Skillen, Lewis Helm, Ray Salzman, Fred Lauterburg, Harold Dobbins, Lawrence Lee, Ralph Gaul, Sherman Pate, John Schulerberg, and Chester Sellaif; (George Dresser and Ralph Gaul are from Mount Prospect); Cubs: C. Koppin, H. Muelhausen; Chas. Proctor, Warren Carlson, Hy. Hauer, Wm. Foley, Arthur Koepke, Robert Moitas, Robert Richards and George Garland.

These boys' two weeks will be up the coming Sunday, when they will start for home, some with new honors to their credit.

With practically 75 Scouts and 25 Cubs from the North West Suburban council at Camp Bryan for the second period which closed July 26, there were few who did not bring back some award or honor for Camp accomplishment.

At the Court of Honor which was held in the Council Ring the last Saturday evening, Jack Thompson of Palatine Troop (Nine received the Leathercraft Merit Badge; Sherman Pate of Troop Five, Arlington Heights was awarded the Junior Red Cross Life Saving Badge.

After the Court of Honor ceremony, Camp Honor awards were presented. These awards consisted of three degrees: Approved, Star, and Honor Camper.

An unusually large group of Scouts from the Northwest Suburban Council received Star Camper awards. They number eight, seven from Troop Three, Park Ridge, and Stuart Paddock, Jr., of Troop Nine, Palatine.

Approved Campers Number 41. The following of the second period campers received the Approved rating: out of 41: Robert Paddock, Jack Thompson, Lewis Miller, Charles Warder, Jack Bretsynder, Troop Nine, Palatine.

Eighty Local Boys Now In Camp

Of the 174 Scouts and leaders now at Camp Bryan for the third period of this season, 59 Scouts and 21 Cubs are from the Northwest Suburban council. This is the largest group that has ever been at Camp Bryan at one time and reports received from the camp indicate that all the campers are having an excellent time and will undoubtedly bring back a still greater number of awards than those who enjoyed the preceding period. The biggest delegation of Arlington Heights boys is in camp the present period.

Additional Leaders Chosen. In addition to those who were chosen from the Northwest Suburban council to be members of the Camp Bryan staff, Assistant Scoutmaster Edward Chidley of Arlington Heights is now acting as one of the Camp Scoutmasters. Scout C. McCaig of Arlington Heights is also assisting the camp as a Cub director. The complete camp staff now numbers twenty-five individuals whose main interest for the summer is to see that every camper has a real camping experience.

COLOR PRINTING

WHEN our experience suggests the use of colored paper, colored ink or a combination of the two for the job you submit, as an aid toward increasing possible returns, we tell you so. If white paper and black ink are best, we suggest them.

OBSERVER'S NOTES

Art Brisbane is a good old sport, R. H. L.'s master of retort; Gene Morgan's gay and flighty; Art Henning writes affairs of state, Salves great and those who should be great.

In the seats of the Mighty, Charles Dailey writes of harrowing things, Bob Becker, trees and wild birds brings. To keep us sane all righteys.

There they are! Look over your morning and evening papers. Art Brisbane, the prince of the pen for the Herald Examiner; R. H. L., the lord of liners, having gathered about him a coterie of congenial spirits who help to boost the line—more of him later on.

Gene Morgan, with sudden flights of wit and humor, with lean strips of the paths of real life in between. Charles Dailey whose late censored news from India aches our hearts and sends prayers to the God of wisdom and mercy.

As for Arthur Henning, who writes from Washington: He has no primrose path to walk the way of fame. To him he must see not with the eyes of understanding, but with the eyes of the men who sit "in the seats of the mighty." He does well within his limitations and well earns all the pay and the applause he gets.

As to Charles Dailey, who wrote from India until his reports were censored, God pity one who sees

Arlington Heights

the truth yet dares not tell it abroad. Here, too, we realize this is treading on dangerous ground and who knows when a volcano may burst open under foot?

How refreshing in all this turmoil and confusion of "pens" it is to read over Bob Becker's "Woods and Waters." To lie on the banks of clear waters and see the wild creatures of the woods creep in the shadows. To hear new notes from feathered songsters and to see the birds of strange plumage flit among the tree branches. Once he verified our own belief that even so-called harmless snakes destroy our song birds. I like Bob Becker.

About R. H. L. Sometimes when I've read his satirizing quips and slams on the 18th amendment I've just felt like shaking his socks off (the doubt he wears 'em!). But all this I forgive him when he puts in one of his sparkling witticisms and real wholesome humor. All scores against him were wiped out when I read the Tribune July 9, and that literary gem, concerning Conan Doyle's promised spirit message. Let me quote the closing paragraph:

"Life is a narrow vale between the cold and barren peaks of two eternities. We strive in vain to look beyond the heights. We cry aloud and the only answer is the echo of our wailing cry. From the voiceless lips of the unreplying dead there comes no word, but in the night of death hope sees a star, and listening love can hear the rustling of a wing." Reading these and foregoing lines, I bow to R. H. L., our prince of liners and veritable master of humor and pathos. Long life to Richard Henry Little!

There are others of whom you know, each familiar to readers of Chicago daily papers. Some great and some lesser in degree. Yet all to reckon with before the greedy public who feed too often on sensation, true or untrue.

Right here in our own seemingly small sphere (that is to those who are not called to its limits) there are plenty of trials. Our friends are so kind to help us else we should be discouraged. We are sometimes misinformed as to names and dates, and must bear criticism, even when corrections are most humbly made.

Once heard a conscientious preacher say when he knew there were many things he was told not to touch on in his sermons, he preached a series of sermons on 1st Corinthians, 13. I in like manner where there are many things I desire to speak about fall back on flowers!

Summer is well upon its way June left us with a sigh And we are seething day by day Through torrid old July.

Yet brides, and gala days at that Do not all pass with June; Come butterflies, maybe a bat With a glorious silvery moon.

With flower processions all the way Since dawned the early spring Some pass, while others longer stay In lovely lingering.

Lilies, the violet, and rose Where brilliant tulips grew Along the path may flower goes And the lilacs wave adieu.

Lilacs and iris' queens of all: The early summer flowers They went to let the glory fall And wistarias' fragrant bowers

The poppy beds are all aflame 'Neath elders ivory white Like blazing torches that once came To light a wedding night.

The poppies and the elders pass Soon they too, end their day— The crimson petals on the grass Will mark the asters' way.

Comes asters and the golden rod O, long may be their reign! Trailing along their native sod Brightest of summer's train.

We are glad to hear that our good ex-president, Mr. Coolidge has a job. Yet lots of poor pen-

men are out of a job, but none of them could write as an ex-president, so he got it. Good for him.

Some of the ex-presidents of villages, clubs and school boards might feel a little snooty about getting such a "paying" job as writing for the Hearst papers. But me? Not a bit of it; even when women with rich husbands, get a "job" I might like. I'm just as tickled as can be. They may need it, poor things, to get new fur coats, or help keep up the races.

Hate is a terrible thing; it destroys the one who entertains it, also they say it creates gall stones or a stony heart or something awful. In a heart that holds contentment, there's no place for resentment. Either one or other must vacate. Each can serve but one master. In its success or disaster, no heart can hold both love and hate.

John D., on his 91st birthday, said he just loved everybody, or words to that effect. This fine summer morning, with the cool air coming in through the open windows, the memory of a delightful family, the veiled moon hung like a great lantern in the sky, Deer Grove and the winding woodland ways; best of all, Orson's enjoyment of his own voiced echoes. Such kind friends, such a ride, were enough to induce sound sleep but that was not all. About 11 o'clock a silvery bow of vapor appeared in the northern sky. This appearance was followed by pillars of light, shooting upward from west to east chasing each other over the northern sky. It was not a brilliant display but a most interesting close to a pleasant evening.

Ever note the difference in the way different people shut a door? It is easy to know the mother and father of a child in the way they close a door. Never recall our parents talking about it, but we knew by their example to close a door quietly, not bang it.

Yes, little acts indicate character and if parents would only realize precept and telling without example has small weight on a child's mind. It is what father does, and mother does, the child imitates. The way to teach your child good manners is to practice courtesy, and gentle manners your self.

They have been waiting for Mr. Coolidge to write his history of this nation in fifty, or is it 150 words. If he doesn't produce it pretty soon, I'll try for it. To begin: Here is the history of Arlington Heights in a few words.

Dunton, settled and fenced by the Yankees, first house, first trees, first school, first doctor. Name changed Arlington Heights 1872. Churches, railroad, postoffice, gas, autos, telephones, cement walks, pavement, high school, library, clubs, more doctors, airport, theatre, riding academy, banks, realtors possess the land, subdivisions, additions, third railroad track, motor buses, \$2,000,000 race track, golf courses, \$2,000,000 drainage system, Bobbed hair, pussy willow, mustaches, skirtless dresses, cigarettes, bookies. The end.

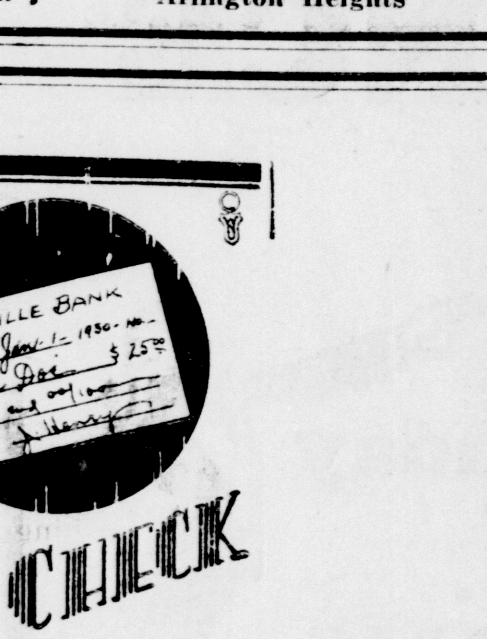

Certainly this could be condensed, especially by curtailing the price of the race track and the drainage, also by cutting down some other exaggerations. Excuse the nonsense of it. I really have scrawled a more detailed history of our town, for future generations

EATING HERE is like EATING AT HOME

Peoples State Bank
Arlington Heights, Illinois

to smile over. Dare not publish it just yet, will wait to read Mr. Coolidge's history of U. S. A. condensed for hints about this town.

Cheer up! All's well that ends. Good news from a far away friend, a fine breeze of Lake Michigan, and the gardens growing fine, let us forget "the rest of it." I am so sorry for all that troubles. Thank God for the good we've had and forge ahead!

I've traveled the same road, friend. The way remembered well. My feet are bruised and torn. By these cobble stones of hell. But now I've neared the road's end. All beautiful I behold. The rain brings out a rainbow friend. And the dust has turned to gold!

So we are to condense these notes into one issue of the Herald, and God helping me, I'll strive to make them worthy of your kind appreciation. You have been told if we only had one meal a day we would bring it to a keener appetite, and less criticism of the menu, maybe it will be gain to those who write for the paper. At any rate, thanks for all kindly appreciation.

If the way seems hard, let us remember it is but one step at a time. Courage, and strength, just for a day.

Just for today we go to meet With courage much that tries the goal. Just for today with weary feet We go to seek the goal.

Not all life's burden will we bear Of future days stretching away It is enough to go with cheer Just for today.

Just for today we pray for strength, To toil, to strive, to carry through Until when evening comes at length. We have done all that we could do.

With the same courage, hope and prayer, We'll rise to greet another day— With burdens ever ours to bear— With purpose never once to stray.

Sometimes we plant a shrub or bush. By frame or trellis, windows near. Nor do we see the roses blush Until the blossom time is here.

For sun must shine, and rain must fall While that bush upward finds its way— Toward a purpose great or small. Just day by day.

Life is not lived in all its years. It's sunshine and its clouded skies Its laughter and its tear dimmed eyes. With hours of toil and hours of play Are only lived just day by day.

Life is not lived this day: this hour. We must dream on, and hope and pray, As we must wait for bud and flower. Just day by day.

We should not in life's trials seek To know all of its sorrows now. Nor overload our spirits weak Still keep our way, knowing somehow. We'll find the strength, for grief and care. Till skies grow blue, now dark and gray. If we through all our burdens bear. Just day by day.

—Elinore Crisler Haynes.

Eastern Star Notes

Brothers night was observed at Arlington Heights O. E. S. chapter, Thursday night, July 24. There was a good attendance for such a hot night.

The Associate Matron's station was filled by Sister Lily Jahn, P. M. of Palatine chapter. Esther's station was filled by Sister Marie Bolte of Palatine. Brother Gustave Andersen, P. P. of Albany Park chapter was organist and Brother Andrew Grant, P. P. of Norwood Park chapter was soloist. These two brothers entertained us with good music with plenty of pep and harmony.

Escorted were Sister Lulu Hermann, W. M. of Palatine Chapter, and Brother Andrew Grant, P. P. of Norwood Park, Sister Jennie Meredith, wife of our candidate was introduced and given a seat in the East.

After initiation our W. M., Sister Mary Meyer, reminded us of the next meeting, Aug. 14, when the Job's Daughters will show us their work. A good attendance is desired as they can do better work to a large audience.

Aug. 10, Sunday, we will have a picnic at Blackhawk Park, Rockford, Ill. All members and their families are welcome. Meet at Palatine temple at nine o'clock. We will also visit the Old People's home which is maintained by the O. E. S.

Our worthy matron thanked Brother Grant whom she said is known as the singing patron and Brother Andersen the organist, also a singer, though he has not sung for us yet, but we hope to hear him some time. Some of the officers had hurried home from the Lions club picnic at Delavan Lake, to fill their stations; which was greatly appreciated by Sister Meyer, as it was a hot night and anyone would be tempted to stay at a cool lake. Being "Brothers Night" our refreshment committee was composed of brothers who served us with wonderful apple pie a la mode and all the fixings, which was greatly appreciated by Sister Meyer, as it was a hot night and anyone would be tempted to stay at a cool lake. Mt. Prospect Department

Mr. Landeck and children are enjoying a week's vacation while Mrs. Landeck takes care of the store. His first stop was with friends at Shawano, Wis. His real destination however was at Hamburg, Minn., his boyhood home. He expects to be back by Saturday.

Ernst Meeske has returned home after some time in the hospital where he underwent an operation. Eunice Ivers spent a very pleasant time last week entertaining her chum, Phillis Heckert of Chicago.

Harold Maleske is spending a week with his aunt in Chicago.

Mr. P. E. Schwerman recently returned from a trip to Michigan where he visited the factory where Chevrolet cars are built and also the General Motors co-producing ground at Milford, Michigan.

Emma Seidel and Leona Maleske spent a week in Chicago visiting Leona's grandmother.

Mr. and Mrs. Clementson have returned from their vacation in Wisconsin.

Mrs. Besander is spending a month's vacation at Marquette, Michigan.

Mr. and Mrs. R. O. Beard and niece, Miss Edna and Miss Jessie Beck, are on a vacation in Southern Illinois for several days.

Albert Busse and family have returned from Sylvan Lake, where they enjoyed a vacation.

Mr. and Mrs. Lang enjoyed a visit last Sunday from a sister, Mrs. Mertz, of Minneapolis. Mr. and Mrs. Hubert Clark and Mr. Grant of Chicago.

Ethel Mundt celebrated her twelfth birthday Sunday with a party at which her relatives were guests.

Mr. and Mrs. Schufft and Miss Doris Busse, motored to Kenosha, Wisconsin for a couple of days last week.

Mrs. Edgar Ingalls and baby son are enjoying the fresh air of Mt. Prospect, by strolling about near their home.

Mr. Skillen motored to Camp Bryan Sunday for a visit with Robert and the other Boy Scouts.

Mr. and Mrs. Edward Pingel enjoyed a family outing at Lake Wauconda last Sunday.

Mrs. Alvin Beigel and little Marilyn Ann returned home from the hospital Tuesday.

The many friends and patrons of Fred Meeske are wishing him an enjoyable vacation in Wisconsin for the next few days.

Mrs. Hilliard and Robert, Jr., have returned home after a vacation in Mason City, Iowa, where they visited relatives. The trip was by motor with the Ed. Busse family.

Harry Boorman is suffering from a badly infected hand caused by a burn.

Mr. and Mrs. Sechrest of Freeport were guests of Mr. and Mrs. A. Dresser over the week-end.

Miss Bernice Tatze was a guest of Miss Adeline Kroll, Sunday on a trip to the Indiana Sand Dunes.

The Otto Maleske family, with their brother's family, the J. O. Maleske's, spent last Friday at Algonquin.

AUXILIARY NOTICE

The ladies auxiliary to the V. F. W. will meet Friday night of this week, at the Community hall. All members please attend.

REPORTER GETS HOT NEWS

The Mt. Prospect reporter is always glad to receive news and items of every sort—no matter how small the item. The people of Mt. Prospect have been very helpful in calling her up—not only the women folks, but the men as well, which all helps to make the Mt. Prospect Herald a real home newspaper. But here is one hot news tip that came over a hot wire on a hot day that was so sizzling that we had to drop it. It was Monday when the telephone bell rang. The voice said: "Hot news is all we have but we all have plenty of it." The party on the other end of the wire hung up without telling his name, so we have to pass on to readers this "hot news" just given to us. The figures are not available as to how much ice water Mt. Prospect people drank during the hot period; but we are all glad the weather has let up to some extent.

NEW BOOKS AT LIBRARY

The library is open every Wednesday from 4 to 8 p. m. and now has several new books of fiction for adults on the shelves. Read books from your home town library while on your vacation.

MT. PROSPECT MAN WEDS DES-PLAINES GIRL

Melvin Frey of 309 South Ioka was married to Miss Ruth Averill of Des-Plaines at her home Saturday, July 26. Mr. and Mrs. Frey will make their home in Chicago.

Air-Rail Coast to Coast Service Started By North Western

The first transcontinental rail-air route between the Pacific Northwest and the Atlantic Coast has just been inaugurated by the arrangement of a new rail-air tie-up by the Chicago and North Western railway and the Manner Air Transport company, with the meeting point for the two lines at St. Paul-Minneapolis.

The new Spokane-Twin Cities air service is the completing link in the rail-air transportation chain which includes the Chicago and North Western-Kohler Aviation rail-air tie-up, announced two weeks ago with daily flights across Lake Michigan between Milwaukee and Grand Rapids, Mich. It will reduce the elapsed time between Spokane, Wash., and New York City to 44 hours. Schedules between Chicago and Spokane will be cut to 23 hours on the east bound trip.

Planes will operate on daylight schedules of 11 hours between Spokane and the Twin Cities. A traveler may board a plane in Spokane at 7 a. m. (Pacific Coast Time) and arrive in St. Paul at 8 p. m. (Central Standard Time), eleven hours in the air. At St. Paul the passenger boards the North Western Limited leaving St. Paul at 8:40 p. m., arriving in Milwaukee the next morning in time to catch the 6:15 a. m. Kohler plane from Milwaukee to Grand Rapids, Mich., where a waiting Michigan Central train takes him on to New York, arriving there at 6:30 o'clock the following morning, only 44 hours, 30 minutes after leaving Spokane.

Westbound trains and planes will make fast connections at the same transfer points, operating on a 46 hour and 50 minute schedule. Passengers from Chicago to Spokane will travel on a 24 hours, 30 minute schedule, making the jump by night from Chicago to St. Paul on the North Western Limited, and connecting immediately with a plane to Spokane.

On the plane trip from St. Paul to Spokane, stops will be made at Aberdeen, S. D., and Miles City, Billings, Butte and Missoula, Mont. Trips each will be made tri-weekly: Leaving St. Paul-Minneapolis on Tuesdays, Thursdays and Saturdays; leaving Spokane on Mondays, Wednesdays and Fridays. Plans in the new service are built Air Sedans, built especially for the new service.

Baggage allowance on the planes will be 30 pounds per passenger. Heavier baggage will be handled by an all-rail route. Rates for new service have been kept unusually low, and are approximately equal to the cost of rail ticket, pullman, meals and incidental expenses by an all-rail route.

Siamese Twins of Industry
Capital and labor are like Siamese twins—if one is sick, both die. They've got to work in harmony. There can be no one-sided view. They depend on each other as the twin, born babe depends upon its mother for sustenance. Industry and Labor.

IN MEMORIAM
In sad and loving memory of our beloved husband and father, William Mueller, who passed away one year ago, August 2, 1929. A happy home we once enjoyed, Fond memories linger yet, Of husband true and father dear Whom we can never forget, Mrs. Minnie Mueller, Herbert and Lydia.

IN MEMORIAM
In fond memory of my dear brother, William Mueller who departed from this life Aug. 2, 1929. Your passing just a year ago Leaves saddened memories still, And a lonely void, deep in our hearts. This word can never fill, Mrs. Henry Koch and Family.

CARD OF THANKS
We desire to express our thanks and appreciation for the kindness of neighbors and friends in our bereavement. Children of Henry C. Reese.

New Church at Mt. Prospect Started on Lincoln Idea

"We are trying to build a church in Mt. Prospect that Abraham Lincoln would have been glad to join," Rev. August E. Johansen, recently called to be pastor of the Mt. Prospect Community Baptist church declared in "A Sermon for Non-Church Goers," last Sunday. Mr. Johansen said in part:

"Lincoln, it will be remembered, never united with the church, because he was unwilling to profess acceptance of an extensive creed which he either could not believe or could not understand. 'Nevertheless Lincoln once told a friend that 'When any church will subscribe over its altar, as its sole qualification for membership, the Savior's condensed statement of both law and gospel, 'Thou shalt love the Lord thy God with all thy heart, mind, and strength, and with all thy mind, and thy neighbor as thyself,' that church shall I join with all my heart and soul.' 'This church accepts Lincoln's challenge.'"

On Type of Demands
"It demands of its members only sincerity—sincerity of purpose to grow in aspirations, in hunger and thirst after righteousness, in character, in knowledge, and in living in accord with the spirit of Jesus Christ. The church, in turn, guarantees to respect the sincerity of its members, and to accept unflinchingly the full consequences of intellectual and spiritual freedom. The church expects men and women to grow, it exists to minister to spiritual growth; but it prescribes no rigid and final pattern of growth, either intellectual or spiritual. These are the sole conditions upon which this church receives men and women into full membership."

On Judging the Church
Addressing non-church-goers of the community, Mr. Johansen said: "The church feels that it has a right to expect that you will give it a fair hearing, that you will not pass judgment upon it or upon its spirit, until you have attended and given it a fair trial."

"Do not judge the church or its ministers on the basis of any mental image you may have of preachers as bigots, narrow dogmatists, or professional scolds. Do not condemn him on those charges until you hear him and at least give him the opportunity to prove himself guilty."

"Do not judge the church on the basis of any prejudice you may have against that institution derived from unfortunate or unhappy youthful experiences with the church or with religion. If you shun the church of today because of your dislike for the church of twenty years ago you do both the church and yourself an injustice, and you demonstrate that it is you and not the church that is behind the times. The church has progressed, for in your own minds would have found no institution of the type of this community church. People had not yet learned to meet in Christian fellowship without flaunting the battle-flags of denominationalism or raising the angry warcries of sectarianism."

"Finally, do not judge the church on the basis of your dislike for or disagreement with any particular member of the church. No one person can adequately represent, either in conduct or opinions, the spirit of a free institution such as a community church. This is as true of the pastor as it is of the humblest member. The church represents a free fellowship of people with a wide range of backgrounds and viewpoints. We have unity in diversity, but there is no arbitrary uniformity."

Aim to Meet Test
"Just as the church feels that it can quite reasonably ask a fair trial and hearing from the non-church-goers of the community, it recognizes that they in turn have a right to expect and demand that the church will stand up under their investigation, that it will, by the very spirit and results of its ministry, prove that it actually serves and so merits their interest and loyalty. The church accepts this as its responsibility and obligation to the people of the community."

AN ORDINANCE

An Ordinance establishing a building line on Northwest Highway in the Village of Mount Prospect, County of Cook and State of Illinois.

BE IT ORDAINED by the President and Board of Trustees of the Village of Mount Prospect, County of Cook and State of Illinois:

SECTION 1. That a building line be and the same is hereby established on NORTHWEST HIGHWAY along a line parallel with and Eighty-three (83) feet northeasterly of the northeasterly line of the right of way and station grounds, as now existing and established of the Chicago and Northwestern Railway Company, in said Village between the easterly Village limits and the westerly Village limits of said Village of Mount Prospect, Illinois.

SECTION 2. That hereafter no building shall be built and no permit shall be issued by any officer of the village for the construction or erection of any building or the replacing of any existing building, any portion of which shall encroach upon or extend southwesterly of said building line established by this ordinance.

SECTION 3. That all ordinances or parts of ordinances in conflict herewith are hereby repealed in so far as they conflict herewith.

SECTION 4. This ordinance shall be in full force and effect from and after its passage, approval and publication.

Approved this 1st day of July, A. D. 1930.

EDWIN L. BUSSE, Village Clerk.

HERMAN F. MEYN, President.

AN ORDINANCE

An Ordinance prohibiting parking on certain parts of Northwest Highway in the Village of Mount Prospect, County of Cook and State of Illinois.

BE IT ORDAINED by the President and Board of Trustees of the Village of Mount Prospect, County of Cook and State of Illinois:

SECTION 1. That it shall be unlawful for the operator of any vehicle to stop, stand or park said vehicle upon any part of the pavement on NORTHWEST HIGHWAY within the Village limits of the Village of Mount Prospect, Illinois, lying southwesterly of a line forty (40) feet northeasterly of and parallel with the northeasterly line of the right of way and station grounds of the Chicago and Northwestern Railway Company, as now established and existing, except that an operator may stop temporarily during the actual loading or unloading of passengers, if such stop does not actually impede or endanger moving traffic, or when necessary to stop in obedience to traffic regulations or traffic signs or signals of a police officer.

SECTION 2. The Board of Trustees or such other officer or employees of said Village as the Board of Trustees may direct, shall erect and maintain an adequate number of "No Parking" signs setting forth the main provisions of this ordinance, said signs to be oblong in shape, the color of the background to be white and the color of the lettering and border to be black.

SECTION 3. Any person violating any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction thereof shall be punished in accordance with the provisions of the State law.

Lose Fat Safely and Quickly

Kruschen Salts—(a perfect combination of the six mineral salts your body must have every day to function properly) purify your blood of harmful acids, and aid the kidneys and bowels to throw off waste material—the continual formation of which is probably the cause of your fat.

In this modern age of living, it's impossible to get these salts from the fancy foods you eat—but don't worry just as long as you have Kruschen Salts.

Take a half teaspoon every morning in a glass of hot water—little by little that ugly fat disappears, you'll feel better than ever before—years younger, more energy. You'll soon possess that enviable beauty, clear skin, sparkling eyes, superb figure which only perfect health can impart.

An 85c bottle (lasts 4 weeks) at Wendt Drug Store, Arlington Heights, or any progressive drug-gist in America. Money back if Kruschen doesn't convince you that it is the safest, quickest, easiest way to lose fat.

ance with the provisions of the State law.

SECTION 4. All ordinances or parts of Ordinances in conflict herewith are hereby repealed in so far as they conflict herewith.

SECTION 5. This ordinance shall be in full force and effect from and after its passage, approval and publication.

Approved this 1st day of July, A. D. 1930.

EDWIN L. BUSSE, Village Clerk.

HERMAN F. MEYN, President.

AN ORDINANCE

An Ordinance making appropriations for the corporate purposes of the Village of Arlington Heights, Illinois, for the fiscal year beginning May 1, 1930, and ending April 30, 1931.

BE IT ORDAINED by the President and Board of Trustees of the Village of Arlington Heights, County of Cook and State of Illinois:

SECTION 1. That the following sums or so much thereof as may be authorized by law, be and the same are hereby appropriated for the corporate purposes as hereinafter set forth of said Village for the fiscal year beginning May 1, 1930, and ending April 30, 1931:

For street maintenance and repairs \$ 6,000.00
For sidewalk maintenance and repairs 1,500.00
For drainage 1,000.00
For fire department 2,000.00
For water system 10,000.00
For street lighting 10,000.00
For fuel 1,000.00
For officers fees and salaries 10,000.00
For contingent fund 1,000.00
For public grounds 500.00
For public buildings 5,750.00
For stationery, supplies and printing 2,000.00
For public benefit tax to meet deficiency of special tax for public benefits 1,400.00
For public benefits assessed against the Village of Arlington Heights in various special assessment proceedings, as provided for by "An Act to Amend Section 33-B of An Act Concerning Local Improvements," approved June 14, 1897, in force July 1, 1897, as amended on and in force June 24, 1921, 4,400.00
For principal on Bond No. 9 and 10 of Third Water Works Extension Bond issue and interest on said issue 2,550.00
For principal on Bond No. 3 of Fire Station and equipment Bond issue and interest on said issue 2,650.00
For establishment and maintenance of a free public library as authorized by a majority of all the votes cast in the Village of Arlington Heights at a regular annual election held in said Village, not to exceed 1.8 mills on the dollar of the assessed valuation of said Village, and in accordance with the provisions of Section 10 of an act entitled, "An Act to Authorize Cities, Villages, Incorporated Towns and Townships to establish and maintain

Free Public Libraries and Reading Rooms," approved and in force June 7, 1872, and amendments to said act For the employment or maintenance of a Municipal Band for musical purposes, in accordance with the provisions of an act entitled, "An Act in Relation To The Employment or Maintaining of Musical Bands By Municipalities," approved and in force June 26, 1925, not to exceed 2 mills on the dollar of assessed valuation, as authorized by a majority of the votes cast at a general election in said Village 1,300.00

TOTAL \$65,050.00

SECTION 2. All unexpended balances of any item or items of any appropriation made by this ordinance which may remain from time to time in the above separate funds, may be transferred to any other fund to make up any deficiency in any other item or items of this appropriation.

SECTION 3. This ordinance shall be in full force and effect from and after its passage, approval and publication.

Approved this 23rd day of July, A. D. 1930.

H. D. PETER, Village Clerk.

P. J. MORS, President.

"A Man from Wyoming," At the Chicago Theatre

Gary Cooper, the galant "Virginian," has completed another thrilling romance drama, "A Man from Wyoming," starting at the Chicago Theatre next Friday. It is the story of the fortunes and adventures of a young Westerner who joins the Engineer Corps and becomes a gallant soldier in the war. "Home Wreckers," a story of riotous plasterers doing their work

in music, O'Donnell and Blair, versatile entertainers, Billy and Elsa Newell, the inimitable tap dancers, and the Six Beverly Girls combine to make "Home Wreckers" one of the outstanding stage shows ever presented in Chicago.

A Key to a Puzzle
All persons are puzzles until at last we find some word or act the key to the man, to the woman; straightway all their past words and actions lie in light before us. —Ralph Waldo Emerson.

Always At Par

One of the great advantages of a Savings Account is that it is always at PAR.

It has no "ups and downs" and is not subject to market manipulations or business depressions. It is just as valuable tomorrow as it is today, and, in addition, it is constantly earning interest for you.

Why not open a Savings Account in this Bank today?

We have joined with Firestone to not only meet but BEAT Mail Order and other Special Brand tires on Price-Quality-Service

Come in and see the facts for yourself
YOU no longer need to send for tires by mail, nor do you have to buy tires made by some unknown manufacturer. Firestone prices are now the lowest in tire history, but more important than that, Firestone quality has never been higher.

We've taken the mystery out of tire buying

Visit our store and we will show you the "inside facts" about tires. We have actually cut up new tires and have the cross sections for you to examine—you will easily see why Firestone quality is so outstanding.

Don't worry about punctures and blowouts

Punctures and blowouts are bothersome and most people fear them—but NOW, because of the patented Double Cord Breaker, Firestone has practically eliminated them. Come in and let us show you this feature that puts two extra plies of cord right under the tread where most road wear comes and where punctures and blowouts start.

Compare Prices and Specifications

Because Firestone Tires hold all world records on road and track for speed, safety and endurance, many people think they are high priced—but just check these low prices—then compare quality—you will be dollars and miles ahead.

Boxing Event

Hot Bouts Mark Boxing Show. People who witnessed the boxing matches at Dear's race track Thursday evening, saw some of the fastest action ever seen in a like contest in this part of the state and the sport fans who missed the show missed a real treat. Six boxing bouts and one wrestling match were on the program and there was action aplenty in every bout. A good sized crowd turned out for show which was the second of its kind sponsored for the building fund of the St. Theresa Catholic church of Palatine and under the

supervision of the A. A. U. and state boxing commission. In the opening bout of the evening Johnny Farrell of Wheaton, won a popular decision over Steve Salzya of Elgin. After three rounds of clever boxing which kept the fans on edge from start to finish. These youngsters met at 130 pounds.

In the second battle Frank Miller of New Orleans was awarded the decision over John Kaptian of Elgin at the end of three rounds of fast boxing by both lads. This decision failed to please the crowd which thought that the worst Kaptian should have been given was a draw and many even favored him to win because of his aggressiveness in carrying the battle to the lad from Dixie.

The third scrap probably created more local interest than any other when it brought together Jim Gahlbeck of Palatine, considerably noted as a base ball pitcher and Elroy Harris of Arlington Heights. They met at 170 pounds. Gahlbeck was making his first appearance as a boxer while Harris has considerable of a reputation in that line. The boys went at it hammer and tongs. Gahlbeck was hitting but Harris had the science and was awarded the bout on a technical knockout when the referee stopped the bout in the second round when it was plainly apparent that Gahlbeck was no match for the Arlington lad and the bout was ended to prevent unnecessary punishment.

Steve Kaptian of Elgin won the decision over R. Smith of Wheaton in another brisk three round affair between 130 pounders.

The first real knockout of the evening came in the 160 pound division when Emil Jorda of Elgin, knocked out Bud Siler of Libertyville in the first round of their little affair. Siler, with a long array

of victories to his credit started out like a cyclone and with his long overhand wallop working in fine shape looked like a real scrapper. But the boys go into close quarters and Jorda slipped over a haymaker to Siler's jaw that sent the Libertyville scrapper to dreamland and produced the only real K. O. of the evening.

In the boxing wind up two cracking fast youngsters, Emil Vermilyer of Geneva and Howard Craft of Grayslake mixed in the fastest and snappiest scrap of the evening. Both lads were fast on their feet and both knew the game and were great little ring generals. The three rounds were extremely even and at the end of the third round the entire crowd arose in their seats and yelled "draw." This was also the decision of the officials, two judges and a referee, and the boys were sent back for another round. In this extra round Vermilyer showed a slight edge and was given the decision.

In the wrestling bout between Otto Dryer of Palatine and Fred Erickson of St. Charles, there was also plenty of action and there 170 pounders put on a real show. One nine minute and two three minute periods were wrestled without a fall and the officials awarded the decision to Erickson on points.

One of the fine features of the show was the great sportsmanship shown by all the contestants. All were out to win but there was no ill feeling and the losers congratulated the winners and the winners consoled with the losers with the finest of sportsmanship.

Another show will be held at the same place by the same organization on Thursday evening, August 7, and L. T. Reuse, Major Domo of the boxing shows who is fast becoming an expert on boxing promotions promises another whale of a card. Craft and Vermilyer will probably be matched again for the wind up bout and this match alone should assure a full house at the next show.

There is plenty of action and lots of kick to these shows and any sport fan who hasn't been attending them has been missing some real fun.

OBITUARY

FRIEDRICH FAT

Friedrich Fat was born Sept. 20, 1858, in the Province of Pomerania, Germany. At the age of 22, he came to this country and settled in Chicago. July 10, 1883, he married Miss Amelia Greinke.

For many years he was engaged in the milk business in Chicago. In 1907, he sold the business and came to Arlington Heights, bought a farm and joined St. Peter's Evangelical Lutheran church, of which he has been a member since. He later retired to his late residence at 1005 N. Dunton avenue. He passed away Friday, July 25, 1930, having enjoyed good health generally until the last year.

Six children were born to this union, of which two preceded him beyond. The remaining children are: Mrs. Alma Binder of Chicago; Edward, Mrs. Minnie Granzen, and Mrs. Margaret Wolf, all of Arlington Heights.

Besides his wife and children, he leaves a brother, Edward Fat, of Chicago, and other relatives.

The funeral services were conducted at the home by Pastor Noack of St. Peter's church, comforting addresses being given in both languages. The body was laid to rest in the family lot in Concordia cemetery in Forest Park.

He was a quiet, unobtrusive man well thought of because of his honesty and industry.

Clara Bow at Oriental Theatre

Clara Bow, the red hot "mama" of the talking screen, comes to the Oriental Theater Friday in her latest picture, "Love Among the Millionaires," which was completed and can be termed as Miss Bow's first musical romance.

The stage show at the Oriental Theater next Friday brings something new and different along this line of entertainment. Constant reviewing of talent, selections of appropriate stage settings, and instructions to a select group of ballet girls.

Tuesday, Aug. 5, the tenth regular meeting of the Arlington Heights Federation Evangelical Women's Organizations will be held at St. John's church. The program will be found on another page.

CHRISTIAN SCIENCE CHURCH

"Truth" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 27.

The Golden Text was, "I will praise thee, O Lord, among the people; and I will sing praises unto thee among the nations. For thy mercy is great above the heavens; and thy truth reacheth unto the clouds" (Psalm 108:3, 4).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed: And ye shall know the truth, and the truth shall make you free" (John 8:31, 32).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Truth is revealed. It needs only to be practiced" (p. 174).

Southside Breezes

All the wise things have been said; but not all the wise things have been done.—Selected.

A son, Joseph Gerald, was born to Mr. and Mrs. J. R. Hodges of South Walnut street in Augustana Hospital, Chicago, Wednesday, July 23. Mother and baby are doing fine.

Mr. and Mrs. Calvin Hoyt visited friends in Aurora, Sunday.

Mrs. William Faust and daughter, Pearl, were guests of Mrs. Fred W. Ehret on South Highland.

Mr. and Mrs. R. H. Richards spent the week-end with their son, Robert, at Camp Bryan, Wakelee, Michigan.

C. C. Compton left Monday on an extended survey of white grub condition in the western part of the state.

Judge Byrd, O. G. Barrett and daughter, Mary Lucile, went to Addison, Michigan, Saturday afternoon by plane, where they spent the week-end with Mr. Barrett's family. They had a wonderful trip going over but on their return late Sunday afternoon motor trouble developed which necessitated a forced landing. Mr. Byrd knows his plane and he controlled it to such a degree of efficiency that the landing was a safe one. Mr. Barrett and Mary returned to Chicago by train, Mr. Byrd remaining over until Monday for the repairs on his plane.

Mr. and Mrs. Frank Sauers and family spent Sunday at Crystal Lake.

Curtis Dobbins of Northfield, Ill., spent Saturday night with his cousin, Donald Dobbins, of South Walnut.

Charles Kopplin is spending two weeks at Camp Bryan, Wakelee, Michigan.

Dorothy and Earl Kopplin are spending a week's vacation with relatives in Racine.

Several friends of Mr. and Mrs. Elmer Laurin of South Evergreen, received cards sent by them from Niagara Falls where they are spending a part of their vacation.

Mr. A. J. Hamilton of Harvey, Mrs. Mary Treshour and daughter, Cleo, Mr. and Mrs. Seth Boyd and infant daughter, Joyce, of Aurora, spent Sunday with the Comptons on South State road.

The Uselding, Klein and Rizzi families of Arlington Heights held a family reunion at Oswego, Ill., one day last week.

Habits are all right as long as they are good ones.—Ullery.

Beautiful Baldwin made upright piano, late style, medium size case, like new, \$150.00. Maria Beulah Schaefer, 1436 Miner street, Des Plaines.

Chas. Kopplin, Robert Richards and Warren Carlson are enjoying two weeks at Camp Bryan in Michigan.

Mr. and Mrs. Robert Richards left Friday night for a visit to Camp Bryan in Michigan where their son is vacationing with several other boys of the Cub Scouts.

Mr. and Mrs. Frank Wasser entertained a group of friends at Fox River Grove at the Bearcat cottage last week-end.

Mr. H. W. Cornelius of Detroit has returned home after a visit to his sister, Mrs. Frank Wasser. He took home with him his little son, Bobby, who has been on an extended visit to his aunt.

KONJOLA PROVED TRUE FRIEND TO ENTIRE FAMILY

Three Generations in One Chicago Household Find Konjola Indispensable.

MRS. CARL BAUER

"I have lived in Chicago for seven years and am a dressmaker by profession," said Mrs. Carl Bauer, 626 Spaulding avenue, in that city. About two years ago I had a general break-down. My stomach became deranged and gas formed after the simplest meals. I had little appetite and became very nervous. It was difficult for me to sleep at night.

"Our entire family, my mother, the children and myself, felt the need of a medicine and tonic and decided to try Konjola. We have been using Konjola a long time and it has proven a truly wonderful medicine. I am in good health again and mother and the children have benefited greatly by this master-medicine. We are telling all our friends."

A six to eight week treatment of Konjola will do for you all that it has done for this Chicago family. Try Konjola today.

Konjola is sold in Arlington Heights at W. F. Sieburg Drug Store, and by all the best druggists in all towns throughout this entire section.

Bohne - Rascher

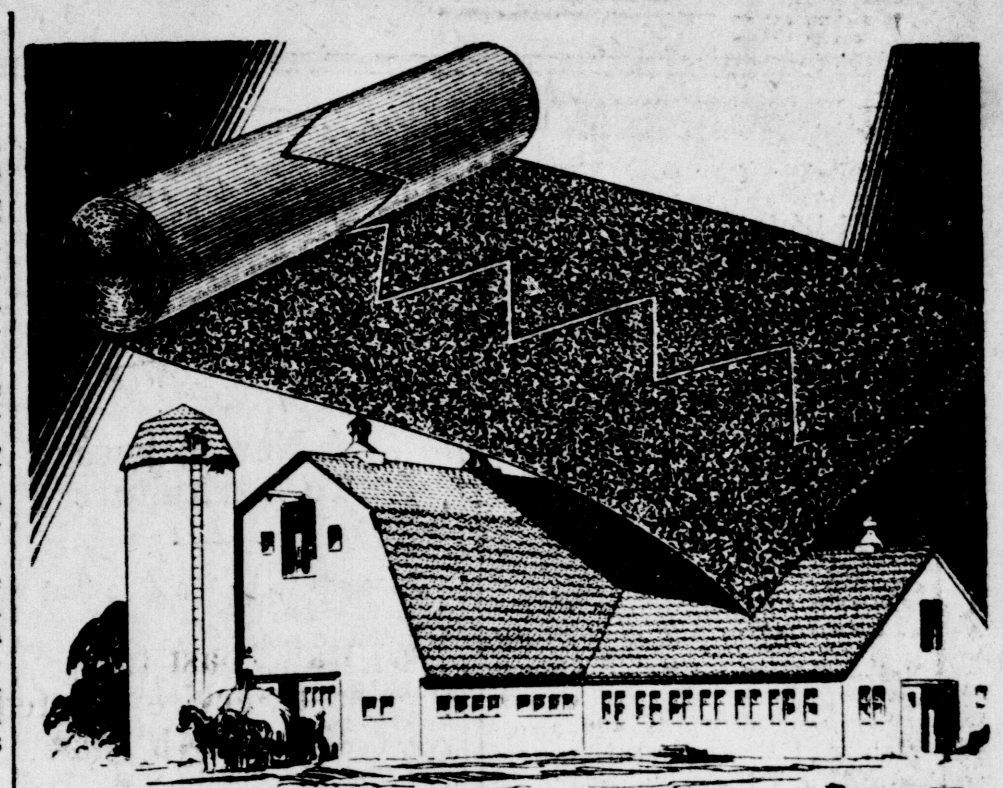

Henry Rascher, son of Mr. and Mrs. Herman Rascher, 101 South Mitchell avenue, Arlington Heights, and Miss Caroline Bohne, daughter of Mrs. John Bohne of Ontarioville, were married Sunday afternoon, July 27, at three o'clock at the home of the bride, by the pastor of the Lutheran church there.

Miss Dora Bohne, sister of the bride, was maid of honor, and Arthur Rascher, brother of the groom, best man. The home was nicely decorated for the occasion with pink and white streamers, and flowers in keeping.

After the wedding, the couple left on a motor trip east to Niagara Falls and Washington, D. C., via Canada, visiting many points of interest. They are expected to return some day next week, and will reside at the home of the groom's parents in Arlington Heights.

Arlington Red Wings Defeat Itasca Team

Getting 5 runs on 6 hits in the first inning the Red Wings beat Itasca by the score of 9 to 7. After taking the lead in the first inning the Red Wings took things easy and with Cordulack pitching good ball the game was practically won in after the end of the first inning. Although Itasca tied the score in the 4th inning at 5 to 5 by getting 5 runs on 5 hits and 2 errors the Red Wings were hitting the pitching of Kouzmanoff of Itasca, hard and scored 3 runs in their half of the 4th to go into the lead by the score of 8 to 5. In the 7th Itasca made 2 runs on 2 hits and made the score 8 to 7. In their half of the 8th inning the Red Wings scored 1 more run to put the game in the bag on 2 hits and a stolen base. W. Swanson of the Red Wings with 3 hits in 4 times to bat, knocking in 4 runs, and scoring 1 run, was the hitting star of the day.

Meeting the Needs of Millions of People

The low-priced automobile has brought greater opportunity and added hours of recreation to millions of men and women.

BECAUSE the automobile is such an important factor in the lives and prosperity of so many people, the purpose of the Ford Motor Company is something more than the mere manufacture of a motor car.

There is no service in simply setting up a machine or a plant and letting it turn out goods. The service extends into every detail of the business—design, production, the wages paid and the selling price. All are a part of the plan.

The Ford Motor Company looks upon itself as charged with making an automobile that will meet the needs of millions of people and to provide it at a low price. That is its mission. That is its duty and its obligation to the public.

The search for better ways of doing things is never-ending. There is ceaseless, untiring effort to find new methods and new machines that will save steps and time in manufacturing. The Ford plants are, in reality, a great mechanical university, dedicated to the advancement of industry. Many manufacturers come to see and share the progress made.

The greatest progress comes by never standing still. Today's methods, however successful, can never be taken as wholly right. They represent simply the best efforts of the moment. Tomorrow must bring an improvement.

FORD MOTOR COMPANY

ment in the methods of the day before. Hard work usually finds the way.

Once it was thought impossible to cast gray iron by the endless chain method. All precedent was against it and every previous experiment had failed. But fair prices to the public demanded that wasteful methods be eliminated. Finally the way was found.

A better way of making axle shafts saved thirty-six million dollars in four years. A new method of cutting crankcases reduced the cost by \$500,000 a year. The perfection of a new machine saved a similar amount on such a little thing as one bolt. Then electric welding was developed to make many bolts unnecessary and to increase structural strength.

Just a little while ago, an endless chain conveyor almost four miles long was installed at the Rouge plant. This conveyor has a daily capacity of 300,000 parts weighing more than 2,000,000 pounds. By substituting the tireless, unvarying machine for tasks formerly done by hand, it has made the day's work easier for thousands of workers and saved time and money in the manufacture of the car.

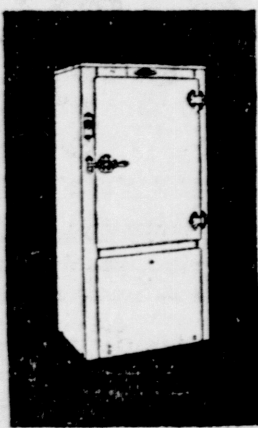

All of these things are done in the interest of the public—so that the benefits of reliable, economical transportation may be placed within the means of every one.

Editorial

A New Menace
To Agriculture

It seems to be the case that seldom any intelligent program is adopted in regard to any new pest, until it has spread beyond full control. Perhaps this is one of the handicaps of a democracy; action may depend on a legislature, which will not act until the people, aroused by intolerable conditions, force the issue.

Northwestern Cook county has recently had introduced one of the worst weeds, if not the worst known to the temperate zone, the perennial sow thistle, belonging to the chancy family and originating in Europe. This weed has made farming unprofitable in big areas of Minnesota, Manitoba and Saskatchewan. A rapid grower, it spreads by seeds exactly like a dandelion, underground like quack grass, and comes up in many places at once in rosettes of leaves that resemble dandelions. Its blossoms much resemble the dandelion, but are borne in clusters at the top of a single stem. A pet location is with small grain, ripening its seed at the same height and time, the seed blowing for miles from the blower of the threshing machine. The plant has one virtue; it softens the soil and provides humus.

Nothing in a public way is being done now to control the pest in Illinois, according to K. L. Matlock, assistant in crop production at the University of Illinois, who states that the perennial species of sow thistle "is practically unknown here." The weed is so new to Illinois that they have no specimens in the University laboratory, and the Illinois will drive around certain outlying sections in the village of Arlington Heights as well as spots in Barrington and Cuba townships, there are plenty in their glory.

Legal Reform
Must Be Sold

In the United States, shamefully the most crime-ridden nation in the world, with twice the crime rate of Italy, next on the list, legal procedure is especially arcane, justice is notoriously delayed and uncertain, and technicalities are the most absurdly obstructive. The annual crime bill of this nation is over three billions of dollars a year, a bill law-abiding people have to pay. To bring crime under control was declared by President Hoover at the outset of his administration to be the biggest problem before this nation. The Law Observance and Enforcement commission, formed as a result of the leadership of the president, and of which Geo.

W. Wickersham is chairman, is going into the whole problem of putting down crime in this country. Unfortunately, the daily press has given the public the impression that the matter of prohibition enforcement was the principal concern of the commission, whereas this is being handled as a subdivision of the whole subject. It can be reasonably doubted that the final report of this commission will be of the utmost value.

But when the report comes out, quotations from it will appear in the daily press, and then the whole issue will die down and very little come of it, unless the public mind is prepared for it, by keeping the issue of the reform of legal procedure to the fore by continued publicity for periods of time before and after the report.

Congress and the legislatures direct changes and reforms only when there is sufficient popular pressure to force them to act. The legal profession is generally conservative. While procedure has been reformed in England, where he that commits a crime is in for serious trouble, it was the people and the business men that finally forced the issue and won the present desirable reduction of crime there.

Let the public have the facts at frequent intervals.

Illinois motorists planning southern tours next winter will be glad to learn that U. S. Route 45 by that time will be solid concrete all the way south to Corinth, Miss. Contracts have been let for the three remaining gaps south of Metropolis-Paducah crossing of the Ohio and the slab will be laid this season.

EAST MAINE

Florence and Marcus Toepel attended the funeral of Wallace Netz of Libertyville, Saturday, who died following an operation for appendicitis. Wallace was a college chum and room mate of Marcus at Valparaiso.

Mr. Charles Schuhknecht, Sr., Ballard road passed away Sunday night at the ripe old age of 78 years. Altho "Grampa" Schuhknecht had seen ill some time his end came very suddenly. Funeral services are to be held Thursday, July 31, of which a detailed account will appear next week. The bereaved family are extended deep sympathy.

The Board of Directors of the Cook County Farmers Mutual Insurance Company held their second quarterly meeting at the home of their president, August Geweke, Saturday evening. Attendance was 100 per cent. Routine business included discussions and disposition of the various claims at hand, passing on applications, bills and other insurance matters of importance.

The members of St. Matthew's Lutheran choir enjoyed their annual outing and picnic to Round Lake, July 22. Renahan's Lodge on the lake shore proved an ideal picnic spot. A busy and most enjoyable day was spent by the young folks. Aquatic sports shared honors equally with horseshoe, tennis and baseball. The feature

game of the day was the girls vs. boys, nine full innings of indoor with Rev. Toepel acting as umpire. The game was much enjoyed by participants and spectators. Who won? Of course the boys but only 16 to 12. When evening came the empty lunch boxes and baskets attested to the hearty appetites of the crowd which of course is one of the main features of any picnic. The "Four Musketeers" will run another barn dance at Al Ahrens' place, Saturday evening, August 2, to which they invite their many friends. These jolly young fellows are the same three who gave the last affair there some time ago but have added a fourth "musketeer" to their number. You are assured a good time, all you need do is come and bring your friends.

Another dance scheduled for Saturday, August 16, is being sponsored by the East Maine baseball club at Virginia Grove. All who have attended previous affairs given by this club know what splendid crowds and what good times all have there and another good time is awaiting everybody August 16. Show the boys you're behind them socially as well as on the diamond. They appreciate it.

East Maine Drops
Third to Fairview

East Maine's loss to Fairview Sunday on the Fairview diamond evened up the series between these two teams to date, giving each one win thus far this season. Perhaps it was Fairview's idea of revenge for the 15 to 4 beating they suffered at the hands of the local lads early in June which prompted them to "load up" for Sunday's game. The final score was 9 to 6, East Maine holding the lead until the seventh inning, when their hosts added 4 to the three they already had and annexed 2 more in the eighth.

The home boys got off to a flying start. Greene, the Fairview pitcher got off on his wrong foot in the initial frame, giving hits to the first four men to face him, Jonas, Prudeaux and Olsen scoring. A brilliant feature of the game was the home run by Bill Sellke in the third, a smashing wallop far out to deep left field which made the count 4 to 0, while runs number 5 and 6 were scored by Heinz Gardner in the fourth and sixth frames respectively. Trailing by three runs in the first of the ninth, things looked bright for the East Maine boys when Jones and Olsen got on base and had Bill's home run come then the score would have been tied, instead of which his offering was faultlessly handled by the shortstop to first for the final out.

Fairview scored one in the fourth and two in the fifth. Bill appeared to weaken in the seventh, his opponents getting to him for 5 hits. 4 runs scoring. Ahrens relieved him in the eighth with one run in and one on. The latter, however, was nipped at the plate. Pageis scored run No. 9 and although Bork and Romy reached base safely Hanson and Bergwin fanned. Over anxiety and carelessness were responsible for the errors which hurt for both sides. Yet it was an interesting game and a splendid crowd of the East Maine fans followed and backed their team. They know their boys are not afraid to lose and can take defeat as well as victory with the smile of true sportsmen. The third game of this series will be played at East Maine September 21.

Home run—W. Sellke; three base hits—Bergwin; two base hits—Olsen, W. Sellke, Warner, Romy; base on balls—Olsen 2, Greene 2; struck out—Sellke 11, Ahrens 2, Greene 7; sacrifice hits—Gardner, G. Sellke, Pagels; double play—Hanson to Bork to Bergwin; stolen bases—East Maine 5, Fairview 5.

Next Sunday the East Maine boys will play Wilmette, on the East Main diamond. Fans who remember the encounter between these two teams last season will not want to miss this game. It's going to be a hard one.

Our 4-H Club Corner

M. E. TASCHER, ASSISTANT FARM ADVISOR

"A good job starting is a job worth finishing." We have a few in the 4-H Club who are lagging just a bit on their projects. When I say a few I mean a few because there is only a half dozen or so out of over a hundred. If you lag behind and don't finish your job you are schooling yourself in decidedly the wrong direction. Besides the mental effect you leave with yourself you are leaving a stain on club work in your community because a lot of people will judge the success of club work by your completion of the project you start. Three things must be done. First, complete your record book. Second, complete your record book. And lastly, show your project at the club show, September 13th.

COOPERATION

We all have heard about cooperation a lot these last few years. I'll bet the Dads can't boast of sticking together as well as some of our club members. Last Friday over fifty per cent of the garden club members turned out to the tour to the Des Plaines Experiment Station. Mr. Lewis said, "If five per cent of the adults turned out to a tour they would feel the tour was a great success." Well, we had over fifty per cent turnout. Just goes to show that perhaps by starting cooperation among the boys and girls we

will have gone a long ways in building up a real cooperative spirit for the future agriculture.

The Lyonsville girls are all set to show up the other counties in the district demonstration team contest to be held on August 5th at Geneva. Monday night they will meet to decide which two girls will make the team.

The Worth girls are planning to send some of their outfits that they made to Geneva too, for the outfit contest. Perhaps Cook county will be represented at the State Fair and the National Club Congress in Chicago this fall.

It beats all that Cook County, out here at the place where the National Club Congress is held, never has had club work until this year. It's about time we cash in and take advantage of this meeting right at our doorstep where over two thousand boys and girls gather each fall.

Farm Groups of
Two Counties to
Unite in Picnic

The Annual Cook-DuPage Farmers' picnic, the various organized agricultural and home-making groups taking part, will be held Wednesday, Aug. 27, at Tiedville, otherwise known as Santa Fe park, on the line of the Santa Fe, about two miles west of Willow Springs, or about five miles south of Western Springs.

Santa Fe park has a very spacious dance hall, permanent concession stands, a very good baseball diamond, and a race track and grand stand; which are not as big, however, as at Arlington Park. Farm Advisor Barrett admits.

It is planned to have all agricultural organizations of the two counties take part, the two farm bureaus and the 4-H clubs of the two counties, the Pure Milk association locals, the DuPage County Home Bureau (the farm women's organization); and it is hoped that the Cook County Truck Gardeners and Farmers association will also take part.

The DuPage County Home Bureau have been in process of organization for some time, and have developed to the point where last week they met and hired a DuPage County Home advisor. The home bureaus' work is educational amongst the farm women and girls, comparable to the work of the farm bureaus among the men and boys. The Home Bureaus are supported with the assistance of the counties, states and national government, and partly sponsored by them in about the same way as the farm bureaus.

The Cook County Farm Bureau now has nine more than four times the membership it had three and a half years ago. Four-H clubs, sponsored by the Farm Bureau in addition to the governmental agencies, started in Cook county this spring, already have about 150 members, older boys and girls. These clubs teach by projects in ways adapted to young people of teen age. The DuPage county 4-H clubs have more than doubled in membership this year.

The Cook County Farm Bureau now has nine more than four times the membership it had three and a half years ago. These clubs teach by projects in ways adapted to young people of teen age. The DuPage county 4-H clubs have more than doubled in membership this year.

Barrington Wants
Swimming Pool.
Park Board Finds

(Barrington Review) Yes, we want a swimming pool! That is the almost unanimous verdict, according to M. H. Schreiber, president of the Barrington park board, who sought the opinion of Barrington people through an article in the Review last week. "Since the article appeared in your newspaper," Mr. Schreiber told a Review reporter yesterday, "I have not been able to walk out on the street without being stopped half a dozen times by persons who

want to be recorded as favorable to the project."

The swimming pool question will be taken up at the next regular meeting of the park board, which will be on August 5. Mr. Schreiber is of the opinion that the board will take favorable action. Although it will probably be too late, he says, to build a pool this year, he feels confident that one can be started next spring so that it will be in readiness for the hot days of next summer.

The Goodyear Heavy Duty
Cushion Tire With
All-Weather Tread

The trucks that haul the heavy loads, that make short hauls at low speeds, that travel muddy treacherous roads or wet and icy streets, operate to great advantage on Goodyear Heavy Duty Cushion Tires.

This massive tire, with its big diamond shaped tread blocks, has tremendous tractive power, fitting it ideally to the needs of winter service, or for work in lumber camps, oil fields, gravel and sand pits, excavations, road building and general construction activities.

It is built more ruggedly than ever, to give the maximum of wearing strength and long, economical mileage. The tread is easily renewed for extra service.

This tire is specially designed for rear-wheel equipment of trucks employed in either medium duty or the heaviest duty known.

We Will be Glad to Call
See Us Before You Buy

Don't misinterpret the state law on solid tires—as only trucks
used for the purpose of carrying seven passengers and more must
be on Pneumatic Tires

YOU CAN STILL USE SOLID TIRES

WHEELING DEPARTMENT

Relief from the heat at last. We were more than grateful for the cooling breezes and especially for the showers, so much needed by the gardens.

Third annual Wheeling Day, Aug. 9. Don't forget and make your plans for the day right now. Eric Wenzlaff has begun remodeling his home on North Milwaukee avenue. It will be transformed into a first class chicken dinner place.

Misses Mildred Johnson, Hazel Utpadel and Evelyn Mohr, spent Sunday afternoon and evening in Chicago, where they were the guests of Miss Ruth Sipes.

Mrs. Geo. Sicks spent a few days of last week in Chicago. Mr. E. Sigwalt and family from Chicago visited friends here last Monday evening.

Sidewalks on Dundee road have been completed at last, and what an improvement. We hope the same can be accomplished soon on South Milwaukee avenue.

Word came from the Boy Scouts that they pitched their tents at Rice Lake instead of at Waukegan, as was their intention when they left. We hope the severe storm in those parts, did not blow them away.

Our population was increased by two just recently. We'll reach the 1,000 mark yet. Mr. and Mrs. Fred H. Hotopp are the proud parents of a 7 lb. boy born on Wednesday, July 23, at the Presbyterian hospital in Chicago.

A son was born to Mr. and Mrs. Wm. Schroeder on July 17.

Special this week, one-half off on beautiful Gulbransen Player Piano. Maria Beulah Schaefer, 1436 Miner St., Des Plaines.

PRESBYTERIAN CHURCH

Morning worship at 10:45 o'clock. Church school at 9:30 a. m. each Sunday.

Annual picnic on August 5. Cards will be mailed with further details.

NORTHFIELD EVANGELICAL CHURCH

10 a. m., worship. A male quartette will sing.

11 a. m., Sunday school.

8 p. m., prayer meeting and choir rehearsal.

Remember the quadrennial convention dates of the young people's convention at Naperville from August 12 to 15.

Camp meeting dates this year are from August 22 to 31. Rev. E. W. Petticoat, Los Angeles, California will preach every night.

Utilization of modern science in duplicating the original wall paper of Lincoln's bedroom at the home in Springfield will be carried a step further as a means of protecting the rapidly wearing floors where thousands of visitors have passed in viewing the interior of the building, it has been announced by Harry H. Cleveland, director of the department of public works and buildings. In an effort to prevent further wear, a study will be made to secure a carpet of the type and pattern in use when Lincoln occupied the dwelling. A sample will be turned over to a weaver who will reproduce the carpeting for covering the floor.

Outdoor Meet for 9th District Plan At Barrington

(Barrington Review)

Barrington post No. 158, American Legion, will be host to the twenty-four posts of the ninth district, commanded by C. E. Paxton, on Saturday afternoon and evening, August 23.

It is expected that 500 legionnaires will be in Barrington on that day. The session will take place at a small wooded tract near Barrington, it was decided at a meeting of the local post last Thursday evening, and there will be a lunch and several entertainment features. It is expected that the open air meeting will find great favor, especially among the Chicago posts.

Plan Bugle Corps Contest

Several drum and bugle corps are expected, and plans are being made for a competitive drill. There may also be a Legion band.

A feature of the day will be a miniature carnival, which will be run by Legion members only, and any profit derived from the venture will form the nucleus for a service fund for Theo. B. Sachs post No. 349, the disabled veterans' post of the American Legion at the municipal tuberculosis sanitarium in Chicago.

Committees to perfect details for the district meeting will be announced by letter to all members, Commander E. J. Langendorf said.

Paxton Named on Permanent Legion Fair Committee

C. E. Paxton of Barrington, commander of the ninth district American Legion, has been appointed to the permanent executive committee of the Legion for the 1933 world's fair, representing the 126 posts in Cook county.

It is the intention of the Legion, Mr. Paxton said, to erect a separate building for Legion fair activities, to cost in the neighborhood of \$250,000, and an endeavor will be made to get the Legion national convention for Chicago during the fair year.

Publicity Stunts: Legion to Build Traveling Home

As one means of bringing Barrington favorably to the attention of the outside world, Barrington post No. 158, American Legion, is evolving plans to build a house on wheels which can be used to carry members of the post to state conventions, district meetings, and other gatherings where the community and the post may be advertised.

To draw attention to the residential advantages of the community, which many believe to constitute Barrington's chief asset, the conveyance, which is to be mounted.

ed on a truck chassis, will be a miniature of an attractive home, correct in detail as to exterior appearance, and furnished with several bunks, a gas stove, electric lights, running water, and other conveniences.

Bugle Corps Will Attend State Meet

The drum and bugle corps of Barrington post of the American Legion will go to the state convention at Aurora in September. E. J. Langendorf, commander of the Legion, announces.

The corps will go, and march in the parade, Mr. Langendorf said, not with any expectation of receiving recognition in competition with the old and highly trained drum and bugle corps of the Illinois department, but for the value that the experience will be to them.

Dick Barthelmess in "The Dawn Patrol" at the McVickers

Richard Barthelmess takes his greatest role in his most recent picture, "The Dawn Patrol," now playing at the McVickers Theater. "The Dawn Patrol" is the most realistic story of the air that was ever made. The story was written by John Monk Saunders, author of "Legion of the Damned" and "Wings." In writing the story, Mr. Saunders had no intentions of selling it to the film producers, but because of its intense human and dramatic plot, agents for the various major motion picture organizations besieged him with offers.

Attorney General Oscar E. Carlson, in an opinion has announced that beneficiaries of life insurance trusts are not subject to the inheritance taxes on trust funds.

PERSONAL—Valentine Wajechowski, my brother whom I was separated from in 1908 when we went to St. Mary's Training school and in 1918 was in Glenview, Ill., employed by Ernest Schuetz. A anyone knowing whereabouts please call brother Frank, 113 N. Francisco Ave. Phone Brunswick 6515. (8-8*)

PENSIONS

Why Do We Work?

A Question for Men and Women of Today

WE rarely pause in our daily labour to ask ourselves this question—we just go on working. If the question does obtrude itself, we rarely answer it coherently.

Yet the answer is simple; nine out of ten of us work because we must. We and those who depend upon us must have food and clothing and shelter. We fear that we may die too soon—so we assure our lives.

But we hope that we may live to be old—and we acquire a pension.

MT. PROSPECT SCOUTS ENJOY CAMP LIFE

Letters Received from Camp Bryan Tell of Glorious Time

Everyone is interested in boys and their activities and especially the fine work of the Boy Scouts, so here are some messages from the Mt. Prospect boys at Camp Bryan, Wakelee, Michigan. Ralph Gaul writes:

"I am having lots of fun up here. Sunday there were swimming and diving events for the benefit of the visitors and then the Rotary cabins which I'm in beat the Elks and T. P. A. Cabins in a game of water polo. Today or tomorrow I hope to try for my 50 yard swim test. Friday we hiked 8 miles to Finch Lake, picked our pup tents and cooked supper. Saturday I reached but we came home anyway, though pretty wet. Sunday night we heard stories around the camp fire, and as reveille turns us out, call to quarters turns us in and taps finish the day's work and play. It's nice and cool up here though the sun is very hot, and though you may start your nights rest without any covers you're sure to be under them by morning. We have a keen water front up here and a fleet of six steel row boats. We also have two 25 foot and one 35 foot Wor canoes and then one or two smaller ones. Love"—Ralph.

Bob Skillen writes:
"Camp Bryan sure is swell. Wish I was staying four weeks instead of two, but still I don't want to miss the air exhibit at Curtiss Field, Chicago. In the morning we awake for a bugle, then the morning dip, followed by mess. Then comes grounds, Scoutercraft period and a swim, then mess. Afternoon comes rest period, scoutcraft and mess. We also have the mess ends the afternoon activities. After supper its baseball, etc., until council fire. There is horse riding and everything and I can't begin to tell you all the fun we have. You will have to come and see for yourself. There are lots of awards to be won and lots of tests to pass. Signing off now."—Bob.

Lawrence Lee writes:
"I am staying at Camp Bryan for two weeks. It sure is a dandy place. The only grudge I have is reveille, but the morning dip and breakfast, 'Um, yum.' A chance to pass scout tests is given in the morning and afternoon of each day. Every period they have a bean hunt, two parties start out around each side of the lake and finally meet each other where the beans and other food is hidden. Then the cooks set about getting it ready. It is next dished out to us and does it ever taste good after the long hike. That's all I think of so I guess I'll close."—Lawrence.

These boys are certainly missed from their home, their Sunday school classes and their neighborhood activities, but everyone is glad to know these boys are having a great time, along with proper training to become real strong up-right men. George Dresser of our neighborhood is there also, but surely was too busy hunting beans to write.

Hoo-ray for the Boy Scouts the world over.

Schwerman Family Has Reunion at Forest Lake

Forest Lake was the scene of a happy crowd last Sunday when about 80 persons gathered for a reunion picnic of the Schwerman family, a name which is remembered many years back in this community. Most every one who attended this affair was a relative. Everyone brought dinner and supper and spent a most enjoyable time eating and visiting.

New Dentist Comes to Mount Prospect

Dr. Janssen has opened an office for dental work over the drug store at Northwest highway and Emerson St. He is now in this office Wednesday and Friday afternoons and evenings, and will keep office hours other days if patronage demands it.

Mr. and Mrs. Wm. Busse Are Hosts to Members Chamber of Commerce

Fifty Mt. Prospect people, including the members of the Mt. Prospect Chamber of Commerce and their wives, were guests of Mr. and Mrs. Wm. Busse at Sylvan Lake Sunday afternoon and evening. It was too hot to do much more than swim, but the crowd had such a good time that it was nearly eleven o'clock when they departed for home. Mrs. Busse served a dinner to the guests and of course the Commissioner, himself, is always a good entertainer. The Chamber of Commerce has always been a happy family and they welcomed the opportunity to have an outing together.

Jack Latas, Mt. Prospect Lad, Severely Injured at Lake Camp

Jack Latas, son of Mr. and Mrs. Roy Latas, was injured while spending his vacation at Lake Villa, with the Y. M. C. A. camp. Jack fell from the bough of a tree, striking some dead branches which cut a gash in the fleshy part of the leg near the hip, the cut seemed only to be of a minor nature at first, but later developed an infection which, for a couple of days, caused much anxiety among Jack's relatives and many friends. At this time, however, Jack is resting much easier at Belmont hospital, where he was removed from his home a bit after midnight Saturday. The danger is not over, though hopes are held for the best.

Arlington All-Stars Defeat Roselle; Arlington Next

Arlington All-Stars beat Roselle 6-1 in hard fought battle. Fred Gieseke, Arlington's pitcher, struck out 12. Biesterfeld struck out 4 and Hatendorf 5 of the Roselle team. The first 3 innings were scoreless. Roselle took the lead in the 4th by Schaefer in the eighth. Hauff also hit a triple. Frank Brodman, Arlington Heights, hit 2 doubles and Zandt, Roselle, also hit a double.

Arlington's pitcher only allowed 4 hits. Roselle's 2 pitchers allowed 12 hits. Arlington made an error and Roselle 2 errors. Melvin Lascor starred in the outfield and Earl Cosman in the infield.

There were about 7 stolen bases for each because both teams had fast runners.

Next Sunday the Arlington All Stars play Palatine at the North side public school grounds in Arlington. Herbert Moehling will probably be the starting pitcher for the locals. This team consists of this year and 2 and 3 years ago graduates.

Federal Dry Squad Arrests Four in Wet Farm East of Elgin

Four men, three darkies, one of lighter hue were handcuffed and taken to Chicago, last Thursday following a raid the previous evening on the old Mitchell place, on Grant highway east of Elgin. The raid was made by Federal officers at the request of State's Attorney George D. Carbery of Kane county. The names of the prisoners were given as Sam King, Sr., the proprietor, his son, Sam King, Jr., Harry Collier, and one Patrick Flannigan. Pat was the lone white. The Kane county authorities are making numerous raids; and this being out of their jurisdiction, but nevertheless affecting Elgin, the aid of the Federal authorities was asked. The latter have promised to close up all places in Cook county within the Elgin district, where it can be proved that liquor is being sold.

First Telescope Primitive Galileo's first telescope was made of a piece of organ pipe with a lens at either end.

DesPlaines Theatre Shows Next Week

"Brevity Bob" Passing; Clara Bow's Hair Grows

Clara Bow is permitting her flaming red hair to grow. Now the Bow coiffeur is more vivid than ever, there is more of it. The red hair is now shoulder length and Miss Bow wears it free letting it blow about where it will. The new Bow headress will be seen in her latest picture "True to the Navy," which will show at the DesPlaines theatre Friday and Saturday, August 1 and 2.

"The Divorcee"

"In the part I am now playing with Norma Shearer in 'The Divorcee,' I don't stop a single bullet and I win the girl. It really feels pretty good to live through the entire length of a picture," said Chester Morris.

Morris, who plays opposite Miss Shearer in the picturization of the Des Plaines theatre Sunday and Monday, August 3 and 4 is a recruit from Broadway, having established himself on the stage as a "heavy" hero before coming into talking pictures.

Lumber Camp Life Background of Romance

Romance and adventure ride high in "Rough Romance," Fox Movietone all talking drama of the north woods which comes to the DesPlaines Theatre on Saturday, August 9th.

O'Brien is convincing in the role of a dashing young lumberjack, while Miss Chandler ably portrays the lovely daughter of a fur trader in an isolated forest post.

Stage Players Too Much for El Brendel

El Brendel, who plays one of the featured parts in "The New Movietone Follies of 1930" which comes to the DesPlaines theatre next Thursday and Friday and who was a prominent stage star before entering the movies, was recently seen looking over a list of eleven new New York stage actors, who had just signed Movietone contracts. Unable to contain himself, Brendel exploded "That a fine trick to play on us movie actors, isn't it, sending all those stage actors out here."

Big Five Ring Circus Coming to This Section

It's actually coming. There is but one really great circus. And therefore it was good news which was today received that Ringling Bros. and Barnum & Bailey's Greatest Show on Earth will soon visit this section—with all its myriad of wonders.

The first advance advertising car heralding the appearance of the colossal amusement organization is now in this territory and its gaily-colored posters and lithographs blazon forth the news throughout the countryside.

Coming on its own four trains of 100 double-length railroad cars, carrying its entire complement of 1680 persons and 1700 animals. The great Ringling-Barnum combined circus will exhibit more new features this year than ever before in its history, including an entire tribe of Ubangi men and women from the remote jungles of Africa, a region in which few white men have ever set foot. These primitive savages with mouths and lips as large as those of full-grown crocodiles will appear as a feature of the main performance, and not as a separate attraction. And there will be a return engagement by popular demand, of Hugo Zaccchini, the Human Projectile who is now fired bodily from a cannon in more terrific and longer flights than last season.

The Ringling Bros. and Barnum & Bailey Circus with its multitude of marvels brought from the four corners of the Earth will exhibit in Chicago at Grant Park, twice daily, for 9 days beginning Saturday afternoon, Aug. 2. Last performance on Sunday night, Aug. 10.

It Rained But Carnival Was Still a Success and A Neat Sum Realized

The carnival at Mt. Prospect last week, sponsored by the fire department of that village closed Saturday night in a rain storm that did not dampen the ardor or spirits of the happy crowd which patronized the event. The net receipts are not as large as expected, but the committee is very well pleased with the result. The money will be used for the relief fund of the department.

Thanks the Public
The fire department has requested that the Herald extend their thanks to the general public, who patronized the event and made its success possible.

The Gateway Theatre

Have you seen Balaban & Katz' newest motion picture house? It is located on Lawrence avenue a half block from Milwaukee avenue and very accessible to all the northwest side and surrounding towns. One of the fine things about the new show house is the accommodation rendered those arriving by auto. A large space entirely enclosed by an attractive wall with artistic gates is given over to free parking space with guards in attendance, for the use of the Gateway's patrons.

out something entirely new in a decorative scheme. One imagines himself in a beautiful garden at night. Myriads of stars twinkle above in the heaven and fleecy clouds move about slowly. A high stone effect wall surrounds the garden with arched openings in which and through which one sees fir and pine trees growing. On the top of the wall statuary placed at intervals and flowers and vines grow there. On either side of the stage beyond the wall are stairs leading to balconies gorgeous in their lighted effects upon two figures standing upon each balcony. A blue light is used throughout beyond the walls giving the night effect over all. It is truly a beautiful scene and well worth the price of admission just to see this enchanting garden.

We have joined with Firestone to not only meet but BEAT Mail Order and other Special Brand tires on Price-Quality-Service

Come in and see the facts for yourself
YOU no longer need to send for tires by mail, nor do you have to buy tires made by some unknown manufacturer. Firestone prices are now the lowest in tire history, but more important than that, Firestone quality has never been higher.

We've taken the mystery out of tire buying
Visit our store and we will show you the "inside facts" about tires. We have actually cut up new tires and have the cross sections for you to examine—you will easily see why Firestone quality is so outstanding.

Don't worry about punctures and blowouts
Punctures and blowouts are bothersome and most people fear them—but NOW, because of the patented Double Cord Breaker, Firestone has practically eliminated them. Come in and let us show you this feature that puts two extra plies of cord right under the tread where most road wear comes and where punctures and blowouts start.

Compare Prices and Specifications
Because Firestone Tires hold all world records on road and track for speed, safety and endurance, many people think they are high priced—but just check these low prices—then compare quality—you will be dollars and miles ahead.

Size 4.50-21	Our Tire	Mail Order Tire
Width of Tire	4.75 in.	4.72 in.
Weight of Tire	16.80 lbs.	15.68 lbs.
Thickness of Tire	.598 in.	.558 in.
Volume of Rubber in Tread and Sides	165 cu. in.	150 cu. in.
Number of Plies at Tread	5	5

Establish the Facts by Asking to See Cross Sections of Both Tires.

Advantages of Our Tire
Wider Tread, of Long-Wear Non-Oxidizing Rubber. Thicker Tread, of Long-Wear Non-Oxidizing Rubber. Heavier and Bigger All Around. 10% More Rubber in Tread and Sidewall. 7.2% Thicker Tire Section. Double Gum-Dipped Cord Breaker, 6 Plies at Tread.

NOTE: Just passing on to you the savings of the one tire manufacturer who controls own sources of raw materials and who uses the most modern manufacturing methods in the industry—Leadership, gained in actual performance on race track and other endurance runs. The inventor of the Balloon Tire. "Most Miles Per Dollar."

DOUBLE GUARANTEE
All Tires Guaranteed Without Limitations by Us and Firestone.

County Board Urges Separation of Dundee and Route 19 Grades

William Busse Presents Resolution Asking State to Include Grade Separation in Widening Plan

STATE HIGHWAY DEPARTMENT IS NOW AT WORK

Securing Necessary Data for Plan; Motor Club Promises Aid

To urge upon the state highway department to construct a separation of the grades of Dundee road and the Northwest highway at their intersection near Deer Grove was the content of a resolution introduced by County Commissioner William Busse at a meeting of the County Board Tuesday. The resolution was adopted by the board. The resolution was preceded by a recital of the many fatal accidents as well as other accidents that have occurred at this crossing and the hill adjoining, and mentioned also that this grade separation is all the more needed and appropriate in view of the widening of the Northwest highway.

Mr. Busse was upon his vacation following the accident that resulted in a united effort on the part of the Lion clubs of three towns. He returned home Monday when he learned of the effort being made and the following day presented the resolution referred to above.

Highway Department Already Busy

The state highway department is considering the feasibility of a grade separation at the dangerous crossing of the Northwest highway and Dundee road. This information was contained in a letter received by T. C. Hart, secretary of the joint committee of Northwest Service clubs, which took up with the highway department the subject of greater protection of motorists at that intersection. The highway department is making surveys and going over the problem in a thorough manner and have assured the joint committee that they will make every endeavor to arrive at some decision relative to this crossing as soon as possible.

The committee of service clubs is requesting the state to erect some sort of warning or go slow signs at that crossing pending the final decision regarding a grade separation. The Chicago Motor club has also assured the people of this community of their support in helping to make that dangerous intersection less of a death trap and from all of the activity and agitation it seems probable that some beneficial action will result.

Milwaukee Avenue Open from Dundee Road to Halfday

While several sections of radial highways near Chicago will be closed to tourists this week-end because of widening operations, Milwaukee avenue between the Dundee road and Halfday was opened during the past week, thus providing a 40-foot highway from Dempster street through Northfield to Halfday, according to the weekly road report of the Chicago Motor club. Milwaukee avenue, however, remains closed between Touhy avenue and Dempster street, where widening is still in progress.

The detour around the construction on Milwaukee avenue is north on the Waukegan road to Dempster street and west on Dempster to Milwaukee avenue.

Regular Old Time Dances at Shaynes Saturday Nights

Remember the good old times that we always had in the old days at the country dances? Those times are here again every Saturday night at Shaynes ball room, Arlington Heights and Higgins roads. The music is of the best, the dance floor rivals the ball rooms of Chicago, but it is the residents from the surrounding communities that are making these dances really enjoyable. There are none of the undesirable element permitted to enter the grove and those who attend may be assured that it will be nothing to mar a happy evening.

Mt. Prospect Citizens Band Enjoys Outing

The members of the Citizens Band of Mt. Prospect and their families enjoyed a wonderful time Sunday at Forest Lake. Everyone took lunch and the band furnished such treats as pop, ice cream, watermelon and a weiner. Both men and ladies were enjoyed as were other features of the day.

MT. PROSPECT SCOUTS ENJOY CAMP LIFE

Letters Received from Camp Bryan Tell of Glorious Time

Everyone is interested in boys and their activities, and especially the fine work of the Boy Scouts, so here are some messages from the Mt. Prospect boys at Camp Bryan, Wakelee, Michigan. Ralph Gaul writes:

"I am having lots of fun up here. Sunday there were swimming and diving over for the benefit of the visitors and then the Rotary cabins which I'm in beat the Elks and T. P. A. Cabins in a game of water polo. Today or tomorrow I hope to try for my 50 yard swim test. Friday we hiked 8 miles to Finch Lake, pitched our pup tents and cooked supper. Saturday I rained but we came home anyway, though pretty wet. Sunday night we heard stories around the camp fire, and as reveille turns us out, call to quarters turns us in and taps finish the day. It's a fine life. It's nice and cool up here though the sun is very hot, and though you may start your nigras rest without any covers you're sure to be under them by morning. We have a keen water front up here and a fleet of six steel row boats. We also have two 25 foot and one 15 foot Wor canoes and then one or two smaller ones. Love"—Ralph.

Bob Skillen writes: "Camp Bryan sure is swell. Wish I was staying four weeks instead of two, but still I don't want to leave. We had a picnic at Curd Field, Chicago. In the morning we were awake for a bugle, then the morning dip, followed by mess. Then comes grounds, Scoutcraft period and a swim, then mess. Afternoon comes rest period, scoutcraft, swim and a row. Night mess and the afternoon activities. After supper its baseball, etc. until council fire. There is horse riding and everything and I can't begin to tell you all the fun we have. You will have to come and see for yourself. There are lots of awards to get and lots of tests to pass. Signing off now."—Bob.

Lawrence Lee writes: "I am staying at Camp Bryan for two weeks. It sure is a dandy place. The only grudge I have is revealing next morning the morning dip and breakfast. 'Um, yum.' A chance to pass scout tests is given in the morning and afternoon of each day. It is next dish out to us and does it ever taste good after the long hike. That's all I think of so I guess I'll close."—Lawrence.

"These boys are certainly missed from the city. With the summer school classes and their neighborhood activities, but everyone is glad to know these boys are having a great time, along with proper training to become real strong up-right men. George Dresser of our neighborhood has been here also, but surely was too busy hunting beans to write. Hoo-ray for the Boy Scouts the world over.

Chemistry Department at High School to Be Equipped this Summer

About \$1,100 worth of chemistry laboratory equipment is being purchased by the Board of Education of the high school. A chemistry course was started last year, the class being limited to ten pupils, commencing in a moderate way to get the course going smoothly. This class was held in the physics room, and taught by Mr. Wilson. Credit was allowed by the state university with the promise that full equipment would be installed next year. Three chemistry laboratory tables accommodating eight pupils each, are to be installed; a teacher's desk, a double fume hood, and the necessary accessories and stools. These will be in the present physics room. The physics equipment will be transferred to Room 13, the present General Science room, the lecture room being in between. The General Science department will be brought downstairs to Room 9, as originally planned for the high school.

New "Leo's Jumbo" Golf Course at Rand and McDonald Roads

A new miniature golf course, "Leo's Jumbo," opened Saturday at Rand and McDonald roads, just north of the Rolling Green Country club. The course contains a number of trick shots, copied from some of the most ingenious found on a trip to Florida. The rate is the same day or night, 25 cents for 7. Victory was due to the timely hitting and good pitching. Fans will follow the local boys to Elk Grove, where they play next Sunday.

Mt. Prospect Juniors Defeat PalWaukee Team

The Mt. Prospect Juniors continued their conquering march Sunday when they defeated the PalWaukee team by a score of 17 to 7. Victory was due to the timely hitting and good pitching. Fans will follow the local boys to Elk Grove, where they play next Sunday.

Women Dictate American Styles; Long Skirts Flop

American women, having enjoyed their freedom several years from long skirts, are refusing to follow the designer of Paris and is dictating their own fashions, is the story being told widely this week in daily newspapers. Manufacturers and retailers who fell for recent Paris fashions are badly hit, and have lost millions, it is admitted.

A style exhibit opened Monday at the Hotel Morrison in Chicago, and will be open the next four weeks, in which American models are prominent—American designed, American made, and of American material. There is a variety of cheerful colors.

The public will be admitted to the show in the Terrace Garden of the hotel, August 4, 6, 7, 13 and 14; at which models will appear in fashion show.

ASK MORE DATA ON WELL PROPOSITION

In a special meeting of the Arlington Heights Village Board Wednesday evening, called to consider the water situation, the board voted to instruct the Village Engineer, W. H. Allen, and Village Attorney, Hugo J. Thal, to get necessary data and take preliminary steps with the idea of sinking a deep well.

MRS. LOUISE BLUME HAS FALLEN ASLEEP

The funeral of Mrs. Louise Blume (nee Tasche), mother of Edna (Mrs. Herman Blume), 230 S. Dunton street, Arlington Heights, was held at 2 o'clock Wednesday, July 30, from her daughter's residence, at the funeral home of Bensenville. Burial was at Wolf's cemetery.

It is estimated that a cow moves her jaws forty-one thousand times a day.

And doesn't say a word to hurt anyone either! Now the problem is, if the ordinary, average cow on the ordinary, average pasture which they are given could talk and used as many words as some people do criticizing what the other fellows don't do but over which they have no control, how many times then would the ordinary, average cow wiggle her jaw?

Say, boy, but we had some experience th' other day! Did you ever ride in an aeroplane? "Well," as the fellow next to me said, "if you don't delirium tremens and you ain't seen nothin' yet." We sneaked away from the office early Saturday afternoon. We thought the fellows in the north end who came in and found us gone would think we were in the south end of the county. This we did. We sneaked away about three o'clock. We drove over to the airport and loaded and strapped ourselves into a biplane with Judge Byrd, our new County Commissioner next fall—we hope—in the rear seat aloft of the plane. We headed south around the lake and then northeast towards Detroit.

If you have a pencil handy, hold it up and look at it as you would ordinarily. If it is blue it looks blue; if it is yellow it looks yellow and if it is grey it looks grey; and if you had a million pencils, and if you were looking at their broad-side you would see distinctly their color. But now take the pencil and look straight at the end of it. You don't see the blue or the grey or the yellow and if you had a million of them pointing at you, and if you were at the end of each one you will still see them but they will look different to you.

You ride along the road and look from side to side. You look at the out stubble or the tree or the fence post or the corn crop perpendicularly to its side. You see on either side of the road a distance of half a mile or such a matter; but when you are in a plane a half a mile up you are looking at the end of these things and they look different. As you look across a corn field or a stubble or a tree, you see the green of the corn or the yellow of the stubble; but when you look down on it you see between and see the grey of the earth mingled with the tan of the stubble or the green of the corn or the different shade of green of the alfalfa or you have it appearing like a checkered silk with some of the finest patterns of tan and green imaginable.

Oh, yes, you strike an airport once in a while and your whole world drops eight or ten feet; but that doesn't mean anything. In fact it doesn't seem like only a little unevenness and the plane is so big and so sturdy and the world down below looks so much different. You look to the right twenty or thirty miles and there is South Bend. You look to the left twenty or thirty miles and there is a lake. Oh, yes, there is another town almost underneath you, hid in a clump of trees. Every town has lots of shade trees. It is different than a field but follows the same reason, some people do for no reason at all.

Mr. and Mrs. Wm. Busse Are Hosts to Members Chamber of Commerce

Fifty Mt. Prospect people, including the members of the Mt. Prospect Chamber of Commerce and their wives, were guests of Mr. and Mrs. Wm. Busse at Sylvan Lake, Sunday afternoon and evening. It was too hot to do much more than swim, but the crowd had such a good time that it was nearly eleven o'clock when they departed for home. Mrs. Busse served a dinner to the guests and of course the Chamber of Commerce members. The Chamber of Commerce has always been a happy family and they welcomed the opportunity to have an outing together.

Elk Grove Farmers Are Progressive

Elk Grove, like Schaumburg, has always had a splendid reputation for good citizens and honest, progressive farmers with large families who are willing to work, earn their own living and pay their bills promptly. This is the reason so many truck gardeners are buying small farms and building homes with all modern conveniences in Elk Grove.

Mr. Wm. Lang and son, Walter, of Park Ridge, bought five acres from Wm. Krueger, the present owner of the old Froemling homestead just north of St. Paul's Evangelical Lutheran church, Elk Grove, where they will operate first class truck gardening for export while the son continues his job as a high grade mechanic.

They are building a modern 8 room bungalow as a home for the two families. They chose this high grade land among the congenial neighbors with pleasant surroundings. The old residents of this locality will welcome such good citizens to their midst.

PROMINENT MT. PROSPECT FARMER DIES

Henry C. Reese Buried Wednesday; Lived Here All of His Life

Mr. Henry C. Reese, who resided on Rand road, near Mt. Prospect died Sunday afternoon following a number of years of feeble health, aged 67 years, 27 days. The funeral was held Wednesday afternoon at Mt. Prospect St. Paul's Lutheran church and was largely attended. Mr. Reese was a charter member of that church and was one of the original commissioners of the drainage district. The family is very well known throughout this part of the county.

Henry C. Reese was born in Wheeling township July 1, 1863. He was baptised and confirmed in the Lutheran church at Des Plaines and on May 31, 1893 was united in marriage to Miss Marie Pohlmann. Three children blessed this union, one of whom, John, died before his parents. Mrs. Reese died Oct. 5, 1913. The family resided on the present Reese farm a great many years.

There remain to mourn their loss, two children, Arthur and Mrs. Fred Pienkewitz, with whom Mr. Reese made his home upon the old homestead; four grandchildren, a brother Conrad, of Palatine; three sisters, Mrs. Wm. Behrens, of Schaumburg; Mrs. Conrad Fedorowicz, Mrs. Emma Linneweh, of Des Plaines.

LAST WEEK OF THE RACES AT ARLINGTON

Greatest Race Meet Ever Held in America Ends Next Saturday

The thirty day race meeting at Arlington Park is fast nearing its close and with Saturday's races featured by the Post and Paddock stake, the meeting will come to an end.

The 1930 meeting has been one of the most successful race meets ever conducted in America and has set an all time record for any Chicago track. There have been ten turn but horses at Arlington this year than ever before; the crowds have been far greater and the mutual handle proportionately larger. The 1929 profit of \$800,000 seems destined to be far surpassed and it will go right back into the plant and into increased purses for next year with the aim of making Arlington beyond any question the greatest track in America.

The heavy rains last week and the very hot weather cut down the crowd at the Arlington handicap last Saturday somewhat but a big field of horses faced the barrier and the rich stake was won by Pigeon Hole with Curate second and The Nut third. Curate looked like the winner on the stretch but Pigeon Hole displayed a great burst of speed and came from behind with a terrific rush to haul down the big end of the purse.

The racing at Arlington has kept the race players guessing this year as everyone is trying for the rich purses and favorites and long shots are going over every day in a most baffling manner to the players. With half a dozen or so good things in every race and with everyone trying the dope is frequently upset and any old thing is liable to happen.

With the close of Arlington on Saturday the Chicago racing scene shifts to Hawthorne for a two weeks' mid-summer meeting. The Hawthorne plant has been enlarged and brightened up and everything is all in readiness at this historic track in Chicago's doorway for a big and successful meeting. Many of the eastern stables will go east after the Arlington meeting and most of the others will move over to Hawthorne where they will meet a lot of the crack stables from Kentucky which passed up the Arlington meeting.

The present racing season is the greatest in the history of the sport in these parts and the coming Hawthorne and Lincoln Fields meetings will no doubt keep right on setting new records.

Hilarious Party Drive Into Store

It was only a joke to a party of intoxicated persons, a man and two women in a car with Indiana license plates, to run into the front of the Reese Hardware store on the Northwest highway in Arlington Heights, break two windows and the frame and damage the store front before they were driven away, while their license number was taken by an onlooker. This happened about six o'clock Saturday morning.

My Sickle says the more he sees of some people, the more he loves his dog.

Dogs usually growl only for some reason, some people do for no reason at all.

It Rained But Carnival Was Still a Success and A Neat Sum Realized

The carnival at Mt. Prospect last week, sponsored by the fire department of that village closed Saturday night in a rain storm that did not dampen the ardor or spirits of the happy crowd which patronized the event. The net receipts are not as large as expected, but the committee is very well pleased with the result. The money will be used for the relief fund of the department.

Thanks the Public
The fire department has requested that the Herald extend their thanks to the general public, who patronized the event and made its success possible.

Schwerman Family Has Reunion at Forest Lake

Forest Lake was the scene of a happy crowd last Sunday when about 80 persons gathered for a reunion picnic of the Schwerman family, a name which is remembered many years back in this community. Most every one who attended this affair was a relative. Everyone brought dinner and supper and spent a most enjoyable time eating and visiting.

New Dentist Comes to Mount Prospect

Dr. Janssen has opened an office for dental work over the drug store at Northwest highway and Emerson St. He is now in this office Wednesday and Friday afternoons and evenings, and will keep office hours other days if patronage demands it.

Arlington Garden Club to Meet Aug. 13; Committees Appointed

The Arlington Heights Garden Club met at the home of Mrs. Matthew Schaeffer, Wednesday evening, July 23. The attendance was good considering the fact that the majority of folks are on their vacations.

Committee appointments were as follows:

Advisory committee: Mrs. Chas. Poulsen, Mr. Kenneth Bangs.
Program committee: Mr. Thomas Wilson, Mrs. Charles FitzPatrick, Mrs. Bruce Jarvis.
Membership committee: Mr. Paul Patrick, Mrs. Will Hausman, Mrs. H. Ashton.
Publicity: Mrs. Thurman Dodge, Mrs. Schaeffer and Mrs. Hausman gave interesting and helpful notes on annual gardens. Mrs. Hausman also gave hints from "Better Homes and Gardens" on the art of combining flowers properly.

The next meeting will be August 13, at the home of Mrs. V. Pecchia, 717 S. Mitchell avenue. All members are urged to attend, as the meeting promises to be very interesting. Further announcement will be made later.

Federal Dry Squad Arrests Four in Wet Farm East of Elgin

Four men, three darkies, one of lighter hue were handcuffed and taken to Chicago, last Thursday following a raid the previous evening on the old Mitchell place, on Grant highway east of Elgin. The raid was made by Federal officers at the request of State's Attorney George D. Carbery of Kane county. The names of the prisoners were given as Sam King, Sr., the proprietor, his son, Sam King, Jr., Harry Collier, and one Patrick Flannigan. Pat was the lone white.

The Kane county authorities are making numerous raids; and this being out of their jurisdiction, but nevertheless affecting Elgin, the aid of the Federal authorities was asked. The latter have promised to close up all places in Cook county within the Elgin district, where it can be proved that liquor is being sold.

Jack Latas, Mt. Prospect Lad, Severely Injured at Lake Camp

Jack Latas, son of Mr. and Mrs. Roy Latas, was injured while spending his vacation at Lake Villa, with the Y. M. C. A. camp Jack fell from the bough of a tree, striking some dead branches which cut a gash in the fleshy part of the leg near the hip, the cut seemed only to be of a minor nature at first, but later developed an infection which, for a couple of days, caused much anxiety among Jack's relatives and many friends. At this time, however, Jack is resting much easier at Belmont hospital, where he was removed from his home a bit after midnight Saturday. The danger is not over, though hopes are held for the best.

JACOB SCHEIRICH, BEVERAGE WORKER, IS PASSED AWAY

Jacob Scheirich, 510 E. Fremont street, Arlington Heights, a worker at the Muller brothers' beverage factory in the same village, passed away Tuesday, July 22. The funeral was held Friday morning at St. James' Catholic church in Arlington Heights; burial at St. Joseph's cemetery at River Grove.

Mr. Scheirich was born in Deutch-Denisek, German Roumania, March 1, 1882. He leaves a widow, Mrs. Lena Scheirich, and two daughters, Eva and Helen.

WELCOME NEW MINISTER IN MT. PROSPECT

Rev. and Mrs. Johansen Given Fine Reception Tuesday Evening

Fully one hundred residents of Mt. Prospect gathered Tuesday evening at the Northwest Hills Country Club in a community reception honoring Rev. and Mrs. A. Johansen. Mr. Johansen is the new pastor of the Community Baptist church.

Members of the receiving line, besides Rev. and Mrs. Johansen, included Gustave A. Andresen, moderator of the church, and Mrs. Andresen, chairman of the church committee in charge of the reception; Rev. and Mrs. Earl F. Adams, pastor of the Irving Park Baptist church, and an acquaintance of Mr. Johansen at the University of Chicago, extended his greetings to the community, the church, and the pastor. Mr. Adams who is a member of the Chicago Baptist executive council, stressed the fact that while the church is partially supported by the community, it is strictly a Christian community church, intended to minister to people of all faiths in the community, rather than being a Baptist or sectarian institution. He congratulated the pastor on the fact that it was his privilege to have the history of the church still in the making, rather than largely being a thing of the past.

Two vocal solos were rendered by Mrs. James E. Rust, director of the Community church choir, accompanied by Mr. Andresen. Greetings were then extended to Rev. and Mrs. Johansen by the village president, Herman E. Meyn, who stressed the importance of the church to the community, and urged support of the church as being a service to the community itself. Following Mr. Meyn's greeting, two vocal duets were given by Mrs. Chris. Severson, of Chicago, and her brother, Mr. Andresen, accompanied by Mr. Johnson.

County Commissioner William Busse, speaking both as a citizen of Mount Prospect and as a member of St. Paul's Lutheran church, extended a warm greeting to the pastor and his wife. Following a duet by Mrs. Paul Jonas and Mrs. Rust, Mr. Andresen, speaking as moderator of the church, welcomed the people of the community on behalf of the church. He pointed out that the church seeks to minister to the unchurched members of the community, regardless of faith, and without any sacrifice of their individual freedom of belief or practice.

Presented by Mrs. Andresen, Rev. Mr. Johansen was warmly greeted by the guests of the evening. The new pastor expressed appreciation on behalf of himself and Mrs. Johansen of the generous reception afforded them by the representatives of their individual community and church. He extended his greetings to the pastor of the St. Paul's Lutheran church, Rev. J. E. A. Mueller, who, though unable to be present, sent a message to the pastor and church, wishing them God's blessing in their ministry together.

"This church stands for the view of men and women as persons, as brethren, as sons of God," declared Mr. Johansen. "We refuse to see folks partially; we refuse to see them as Methodist or Lutherans or Presbyterians or even as Baptists. Those who are unchurched in our community we welcome to fullest membership without requiring in any way, by profession or rite, that they become Baptists. It is our wish to serve you as a friendliness and Christian spirit as a community church."

A delightful surprise of the evening was the presentation of a beautiful bouquet of roses to Mrs. Johansen, who acknowledged them with a word of appreciation for the generous reception.

Following the program refreshments were served. Out of town guests for the occasion included Rev. and Mrs. Earl F. Adams, Mr. and Mrs. Chris Severson, Mr. and Mrs. Carl Nelson and Mrs. A. Holmes, all of Chicago, and Mrs. Charles Herman of Elgin.

The members of the Citizens Band of Mt. Prospect and their families enjoyed a wonderful time Sunday at Forest Lake. Everyone took lunch and the band furnished such treats as pop, ice cream, watermelon and a weiner. Both men and ladies were enjoyed as were other features of the day.

The Mt. Prospect Juniors continued their conquering march Sunday when they defeated the PalWaukee team by a score of 17 to 7. Victory was due to the timely hitting and good pitching. Fans will follow the local boys to Elk Grove, where they play next Sunday.

The members of the Citizens Band of Mt. Prospect and their families enjoyed a wonderful time Sunday at Forest Lake. Everyone took lunch and the band furnished such treats as pop, ice cream, watermelon and a weiner. Both men and ladies were enjoyed as were other features of the day.

MOST

...people are convinced...

That speculation has no place in sane finance; that the fruits of labor should be so invested as to insure safety of principal and a regular income return. Our list of high grade securities reflects this conviction.

ARLINGTON HEIGHTS STATE BANK

PALATINE AND GAHLBECK OUT AT ARLINGTON

Arlington's Fast Team Too Much for Neighbors To Enter Series

The Arlington Boosters encountered little opposition Sunday and took their ancient rivals, Palatine, into camp by a score of 16 to 3.

Diederich, pitching for the locals held Palatine well in check giving up only six hits. The boosters collected fourteen hits off Gahlbeck, and outside the first inning gave him plenty to worry about.

On Sunday the Jefferson Parks will furnish the opposition. Finerman will be back on the slab for the locals after his vacation and the public will be assured of a good game as the visitors will present a strong lineup with a record of 11 wins against four losses for the season.

On Sunday, August 10 the Mid West League expects to begin the Sweitzer Cup series, in which the Boosters will enter. This series is held each year and is sponsored by County Clerk Robert M. Sweitzer who donates to the league a beautiful cup together with individual trophies for the players of the winning team.

Inasmuch as the Boosters have beaten some of the strongest teams in the league it is felt by the management that with a little more support by the fans that the team may be able to go somewhere in the series.

In September the "Little World Series" with the Park Ridge Pickwick will take place. This, together with the Sweitzer cup series will insure local fans of some very good baseball so let's all get behind the team and help them win both series.

All games called at 3:00 p. m. East Side Ball Park. Admission, Gents 50c and Ladies 25c.

Lions Clubs and Families on Outings

About 90 persons, Arlington Heights members of the Lions club, families, and friends, enjoyed an outing Thursday with a similar party of about 70, representing the kings of the jungle of Barrington, at the Lake Long hotel, Lake Delavan, Wisconsin.

The Arlington Lions are roaring about the fact that they beat their Barrington brothers 9 to 8 in a game of baseball, which wound up the day's events. The early part of the day they played golf and tennis, went swimming, or played cards in the shade.

Some of the members went Tuesday evening this week to a picnic at Deer Grove, at the invitation of the Des Plaines club.

Arlington All-Stars Defeat Roselle; Arlington Next

Arlington All-Stars beat Roselle 6-1 in hard fought battle. Fred Gieseke, Arlington's pitcher, struck out 12. Biesterfeldt struck out 4 and Hattendorf 5 of the Roselle team. The first 3 innings were scoreless. Roselle took the lead in the 4th inning 1-0. Arlington scored in 2 in the fourth, 3 in the fifth and 1 in the eighth. "Red" Koelling, Arlington Heights, got a home run over the center fielders head in the fourth. Jimmie Hauff, Arlington Heights, got a homer on an error by Schaefer in the eighth. Hauff also hit a triple. Frank Brodman, Arlington Heights, hit 2 doubles and Zarnid, Roselle, also hit a double.

Arlington's pitcher only allowed 4 hits. Roselle's 2 pitchers allowed 12 hits. Arlington made 1 error and Roselle 2 errors. Melvin Laseke starred in the outfield and Earl Cosman in the infield.

There were about 7 stolen bases for each because both teams had fast runners.

Next Sunday the Arlington All Stars play Palatine at the North side public school grounds in Arlington. Herbert Moehling will probably be the starting pitcher for the locals. This team consists of this years and 2 and 3 years ago graduates.

Evangelical Federation of Women to Meet

The Tenth Regular Meeting of the Arlington Heights Federation of Evangelical Women's organizations will be held at St. John's church in Arlington Heights next Tuesday, Aug. 5. The program will be as follows:

Morning Session, 10 a. m.
Prelude—Miss Esther Ellerbrake.
Devotion—Rev. J. H. Ellerbrake.
Greetings—Rev. J. H. Ellerbrake.
Response—Mrs. Geo. Goebel, vice president, Arlington Heights Federation.
Address—Foreign Missions.—Rev. J. C. Koenig, Missionary in India.

The Arlington Heights Federation is made up of Ladies' aid groups of 16 or 18 Evangelical churches, including Arlington Heights, Bensenville, Palatine, Bartlett, Lake Zurich, Elgin, Niles Center, Deerfield, and Highland Park.

ARLINGTON HTS. VILLAGE BOARD PASSES BUDGET

The Annual budget for the Village of Arlington Heights, for the fiscal year beginning May 1, 1930, and ending April 30, 1931, was passed Wednesday night, July 23, by the Village board at a special meeting at the Village hall.

Six thousand dollars were allowed for street maintenance and repairs, and \$1,500 for keeping up the sidewalks. \$1,000 was appropriated for any drainage needed.

The fire department is allowed \$2,000; the water system, \$10,000; street lighting, \$10,000. \$1,000 is for fuel, \$10,000 for officers' fees and salaries, \$1,000 for a contingent fund. \$500 was named for public grounds, \$5,750 on public buildings, \$2,000 for stationery, supplies and printing.

For public benefits assessed against the village in various special assessment proceedings, \$4,400 was found necessary and was appropriated. On principal and interest on water works bonds, \$2,550 was allowed; on fire station bonds, \$2,550; for the public library, \$1,500; and for the municipal barn, \$1,300. The total of the budget was \$65,050.00.

Section two of the ordinance provides that any unused balances on these separate funds may be used to make up any deficiencies on the other funds named in the ordinance.

Two Classes

DesPlaines Theatre Shows Next Week

"Brevity Bob" Passing; Clara Bow's Hair Grows

Clara Bow is permitting her flaming red hair to grow.

Now the Bow coiffeur is more vivid than ever, there is more of it. The red hair is now shoulder length and Miss Bow wears it free letting it blow about where it will. The new Bow headress will be seen in her latest picture "True to the Navy," which will show at the DesPlaines theatre Friday and Saturday, August 1 and 2.

"The Divorcee"

"In the part I am now playing with Norma Shearer in 'The Divorcee,' I don't stop a single bullet and I win the girl. It really feels pretty good to live through the entire length of a picture," said Chester Morris.

Morris, who plays opposite Miss Shearer in the picturization of the Ursula Parrott story at the Des Plaines theatre Sunday and Monday, August 3 and 4 is a recruit from Broadway, having established himself on the stage as a "heavy" hero before coming into talking pictures.

Lumber Camp Life Background of Romance

Romance and adventure ride high in "Rough Romance," Fox Movietone all talking drama of the north woods which comes to the DesPlaines Theatre on Saturday, August 9th.

O'Brien is convincing in the role of a dashing young lumberjack, while Miss Chandler ably portrays the lovely daughter of a fur trader in an isolated forest post.

Stage Players Too Much for El Brendel

El Brendel, who plays one of the featured parts in "The New Movietone Follies of 1930" which comes to the DesPlaines theatre next Thursday and Friday and who was a prominent stage star before entering the movies, was recently seen looking over a list of eleven new New York stage actors, who had just signed Movietone contracts. Unable to contain himself, Brendel exploded "That a fine trick to play on us movie actors, isn't it, sending all those stage actors out here."

Big Five Ring Circus Coming to This Section

It's actually coming. There is but one really great circus. And therefore it was good news which was today received that Ringling Bros. and Barnum & Bailey's Greatest Show on Earth will soon visit this section—with all its myriad of wonders.

The first advance advertising car heralding the appearance of the colossal amusement organization is now in this territory and its gaily-colored posters and lithographs blazon forth the news throughout the countryside.

Coming on its own four trains of 100 double-length railroad cars, carrying its entire complement of 1680 persons and 1700 animals. The great Ringling-Barnum combined circus will exhibit more new features this year than ever before in its history, including an entire tribe of Ubangi men and women from the remote jungles of Africa, a region in which few white men have ever set foot. These primitive savages with mouths and lips as large as those of full-grown crocodiles will appear as a feature of the main performance, and not as a separate attraction. And there will be a return engagement by popular demand, of Hugo Zacchini, the Human Projectile who is now fired bodily from a cannon in more terrific and longer flights than last season.

The Ringling Bros. and Barnum & Bailey Circus with its multitude of marvels brought from the four corners of the Earth will exhibit in Chicago at Grant Park, twice daily, for 9 days beginning Saturday afternoon, Aug. 2. Last performance on Sunday night, Aug. 10.

"Keeping Cool" To be Topic at Mothers' Club

The Methodist Mothers' club of Arlington Heights, will meet Wednesday, Aug. 6, at 8 o'clock at the home of Mrs. E. T. Wolf, Edward street near Evergreen, Mount Prospect.

The program, in charge of Mrs. Herbert Reinhausen, will be on "Keeping Cool in Hot Weather." The roll call responses will be on the topic: "My vacation." Mrs. O. G. Barrett will preside.

Members desiring transportation will please call Mrs. Wolf, 1059-W, and cars will be at the church to take them.

The Gateway Theatre

Have you seen Balaban & Katz' newest motion picture house? It is located on Lawrence avenue a half block from Milwaukee avenue and very accessible to all the north-west side and surrounding towns. One of the fine things about the new show house is the accommodation rendered those arriving by auto. A large space entirely enclosed by an attractive wall with artistic gates is given over to free parking space with guards in attendance, for the use of the Gateway's patrons.

The interior of the building is beautiful and if such a thing is possible surpasses the other Balaban & Katz theatres in luxury and beauty. The auditorium carries out something entirely new in a decorative scheme. One imagines himself in a beautiful garden at night. Myriads of stars twinkle above in the heaven and fleecy clouds move about slowly. A high stone effect wall surrounds the garden with arched openings in which and through which one sees fir and pine trees growing. On the top of the wall statuary placed at intervals and flowers and vines grow there. On either side of the stage beyond the wall are stairs leading to balconies gorgeous in their lighted effects upon two figures standing upon each balcony. A blue light is used throughout beyond the walls giving the night effect over all. It is truly a beautiful scene and well worth the price of admission just to see this enchanting garden.

We have joined with Firestone to not only meet but BEAT Mail Order and other Special Brand tires on Price-Quality-Service

Come in and see the facts for yourself
YOU no longer need to send for tires by mail, nor do you have to buy tires made by some unknown manufacturer. Firestone prices are now the lowest in tire history, but more important than that, Firestone quality has never been higher.

We've taken the mystery out of tire buying
Visit our store and we will show you the "inside facts" about tires. We have actually cut up new tires and have the cross sections for you to examine—you will easily see why Firestone quality is so outstanding.

Don't worry about punctures and blowouts
Punctures and blowouts are bothersome and most people fear them—but NOW, because of the patented Double Cord Breaker, Firestone has practically eliminated them. Come in and let us show you this feature that puts two extra plies of cord right under the tread where most road wear comes and where punctures and blowouts start.

Compare Prices and Specifications
Because Firestone Tires hold all world records on road and track for speed, safety and endurance, many people think they are high priced—but just check these low prices—then compare quality—you will be dollars and miles ahead.

Advantages of Our Tire
Wider Tread, of Long-Wear Non-Oxidizing Rubber. Thicker Tread, of Long-Wear Non-Oxidizing Rubber. Heavier and Bigger All Around. 10% More Rubber in Tread and Sidewall. 72% Thicker Tire Section. Double Gum-Dipped Cord Breaker, 6 Plies at Tread.

NOTE: Just passing on to you the savings of the one tire manufacturer who controls own sources of raw materials and who uses the most modern manufacturing methods in the industry—Leadership, gained in actual performance on race track and other endurance runs. The inventor of the Balloon Tire. "Most Miles Per Dollar."

DOUBLE GUARANTEE
All Tires Guaranteed Without Limitations by Us and Firestone.
